Edenton Baptist Church

March 28, 1817

Edenton Baptist Church was constituted on March 28, 1817, by a presbytery consisting of Elders Martin Ross, William Creath, and Job Pettijohn. Rev. B.F. Farnsworth was its first pastor and served for about eight years. The church was served by many pastors.

The church was destroyed by fire on November 13, 1870 after the Sunday evening service. The new church building was ready to occupy in 1875 but it was not furnished.

The year 1909 brought to the pastorate the Rev. E.L. Wells, who served thirty-seven years. Under his leadership the church realized great growth. The old building was razed and on March 7, 1916 the present sanctuary was begun and it was dedicated free of debt, on June 27, 1920. An active W.M.U. has been part of the church program since 1903. In 1926 Miss Ola Lea was sent as a missionary to China and the church supported her work for thirty-five years.

Under the leadership of Rev. R.N. Carroll, who served twenty-four years, the church continued in both spiritual and physical growth with the South wing being added in 1948 and the North wing in 1964.

A strong youth program and a music oriented ministry was advocated by Rev. Robert E. Gray during the eight years he served as pastor.

In August 1979, Dr. John A. Allen was called and led the church for five years. During his tenure a mission was established. Beginning in June 1982 as a Bible study, by October 1982 Rev. John Stanley was called as pastor of Albemarle Baptist Mission. In 1985 the mission dedicated a new building and was constituted Albemarle Baptist Church on January 1, 1986.

The church called it's 31st pastor, Dr. Kenneth E. Word in May 1985. Other ministers on present staff are Rev. James H. Hyatt, Jr., Associate Pastor, Music, and Rev. Gary P. Stanley, Minister of Education/Youth.

Church History of Manteo Baptist Church

Manteo Baptist Church, located on Roanoke Island on North Carolina's Outer Banks, was begun on April 16, 1905 by 25 charter members meeting in the Dare County Courthouse. A week later, a building committee was formed to raise funds and secure materials for a building. In 1907, the members now numbering 63 moved into the newly constructed church.

For a time, Manteo shared a pastor and the expense of a parsonage with Roanoke Island Baptist Church, the mother church out of which the Manteo Church had arisen. Around 1940, Manteo Baptist Church had grown to the extent the members voted to secure the services of a full-time pastor, an enormous step of faith for the small church.

Growth continued, slowly but steadily, and attendance as well as cooperation increased during the war years when a naval air facility was located on the north end of the island.

As its sense of mission increased the church began planning for a new, modern brick sanctuary and educational building in the mid 1940's. Financial concerns kept this dream from coming to full fruition for a time, but in the early 1950's, the church took another step of faith and began construction of the present sanctuary and educational building. Since then, another larger educational wing has been added, and the church has built a modern parsonage for the use of its pastors. By 1950, the church counted more than 100 members on its rolls. At the present time there are 509 members.

Manteo Baptist Church has always subscribed to the faith and participation fully in the programs of the SBC. The church is enriched each year by the fellowship of visitors who come to enoy the area's beaches, and invites both visitors and residents to enjoy the fellowship of the church.

Resolutions Committee Report

WHEREAS, 1990-91 has been a year of great "historical" changes in our world as we have watched nation after nation become free from the grip of Communism giving Southern Baptist a unique opportunity to share what being "free indeed" really means for the first time in many, many years;

AND WHEREAS, 1990-91 has also been a unique year in our own association as we worked much on our own administrative structure to better work and share together with all of our people in the churches across our great ten county area;

AND WHEREAS, our burning desire now is to reach out in love to minister and witness to "all peoples" in the area God has given us the responsibility to serve through every phase of the work of our association in this new year;

BE IT THEREFORE RESOLVED, that our appreciation is expressed to the Arrangements Committee for the challenging, motivating, informing and inspiring 186th Annual Meeting of our association;

BE IT FURTHER RESOLVED, that we express our warmest gratitude to Howard Simpson, Jr., Moderator; Doug Murray, our Theme Interpretation Leader; Joseph Miller and Mickey Willard, Worship Leaders in Proclamation; Denise Gregory, Music Director; E. FINALLY, BE IT RESOLVED, that the messengers of the 186th meeting of the Chowan Baptist Association be commended for the Christ-like spirit experienced in the conducting of the business sessions and their willingness to commit themselves to carrying out the sharing of the theme "Free Indeed" as we return to our individual places of service.

Associational Council Report

The Council has been actively involved in the life of the Association this year. In addition to planning and coordinating the work of the officers and organizational directors, the council has served as our constitutional committee for the year. The members of this council have invested a substantial amount of time and energy during this project. They have gone above and beyond the call of duty in responding to the commission by the Association to review and update our Constituion. It has been a sincere joy to share with these co-workers as we have wrestled with the basis issues of who we are as an Association. A report of the Associational Council's recommended amendments to the Constitution was forwarded to each church in advance of the Annual Meeting.

Robert E. Crisp, Jr.
Vice-Moderator

Brotherhood Report

For several years now the Chowan Baptist Association has been without a Brotherhood Director. On May 7, 1991 I was formally elected as Associational Brotherhood Director. For those who might not know me, I'm a member of Reynoldson Baptist Church in Gates County.

Brotherhood is the church's educational organization which provides missionary education for men and boys. The Southern Baptist Convention established the close relationship between Brotherhood and missionary education back in June of 1965, when it approved the following objective for Brotherhood work: "The objective of the Brotherhood Commission is to support the Southern Baptist Convention in its tasks of bringing men to God through Christ by fostering programs that will assist the churches in their tasks of leading men, young men, and boys to a deeper commitment to missions, to a more meaningful prayer life for missions, to a larger stewardship on behalf of missions and to a personal involvement in missions."

The work of a church is not many separate, independent programs but one program made up of smaller related programs assigned by the church to organizations.

As a part of the church total program, the Brotherhood functions in relationship to the other organizations of the church such as the WMU, Sunday School, music ministry, and other appropriate committees.

Like other programs carried out by other church organizations, the Brotherhood program is composed of church tasks. They include (1) Teach missions, (2) Lead to participate in mission activities, (3) Provide organization and leadership for special projects of the church, (4) Interpret the work of the church and the denomination, (5) Develop personal ministry.

Since being elected Brotherhood Director, I attended the associational Brotherhood state-wide training session at Caraway Conference Center in Asheboro, NC (June 7-8, 1991). On August 24, 1991 we had our first Annual Brotherhood Region I Training Meeting at Cool Spring Baptist Church. There were training sessions for all age groups plus leadership training. The N.C. Baptist Men Disaster Van was on display and fed all those who attended.

I have visited four churches and spoke to the men of the church promoting the Brotherhood program. If your church has an active Brotherhood program or if you have any interest in starting one or if you need a program for some other church organization, I'll be more than happy to come and speak on the merits of Brotherhood plus give a report on activities of the Brotherhood in our association and state.

Hopefully 1991-1992 will be a productive one for the Brotherhood in the Chowan Association. I would like to close my report with a verse of scripture from the 15th chapter of Romans, verse 13, "Now may the God of hope fill you with all joy and peace in believing, that you may abound in hope by the power of the Holy Spirit."

James W. Smith
Brotherhood Director

Camp Cale Report

"God's presence and greatness are revealed in the very processes of nature." Where can you find any better evidence of nature than at our own Camp Cale? This has been a special year as the Lord has blessed us richly. Many of you had the pleasure of experiencing church services, baptisms, family reunions, picnics, prayer retreats, VIP retreats and many others.

The highlight for the summer was the four weeks of camp when the boys and girls were able to see their old friends, listen to Bible study and hear missionaries share their experiences. We are grateful for each one who willingly gave their time which includes Dick Mooring, Partnership to Poland; Reverend Danny Davis, Gail Hurdle and Faye Ober. They also had fun time with swimming and making crafts pertaining to nature.

Lynette Diggs, with the assistance of her husband, Reverend Sonny Diggs, served as directors. The theme was "Our Own Place in Our Community." We had 120 campers. Nine made professions of faith and many rededicated their lives to the Lord. This was another successful year with a dedicated staff.

The Property Committee Chairman, Douglas Swain, his committee and Harvey Roberts from Providence Church, have also been busy. The rest of the bulkhead has been completed which was 85 feet. New tile has been installed in the dining room, kitchen, storage room and bathroom. The kitchen was painted, a new refrigerator and icemaker has been purchased and placed in the kitchen.

Caretaker, Alvin Kirby, will be leaving us October 19, 1991. The personnel committee is already at work looking for a replacement. Anyone interested in the job, please contact the associational office and send a resume to 210 Berry Street, Herford, NC 27944.

Great things are happening at Camp Cale. We still need your prayers and support. Please visit the camp anytime. It's your camp. Why not take advantage of it?

Faye Swain
Camp Cale General Chairman

Chaplaincy Report

The Chaplaincy Director's task includes assesing needs, implementing programs, and promoting the involvement of our churches, in meeting some very basic pastoral care needs. These needs are especially found among hospital patients, nursing facility patients, retirement home residents, college students, and correctional facility residents. Each of these areas represents a substantial, yet crucial realm of ministry for our churches. These settings often present occasions for ministry that have lasting impact.

This year's focus has been placed upon hospital chaplincy development. Specifically, the Seminary Extension course, "Pastoral Care in Hospital Setting," was offered to enhance the abilities of ministers to serve in this setting. Seven area ministers/students participated in this chaplaincy source in conjunction with Albemarle and Chowan Hospitals. Its impact provided a catalyst for requesting the establishment of a volunteer chapliancy program at the Albemarle Hospital. This request is presently under consideration by the administration.

The challenge of the coming year will be to follow up on this prospective chaplaincy program at Albemarle Hospital. Another course, "Pastoral Care of the Terminally Ill" is being planned for the Fall (at the CBA Resource Center) which should further enhance chaplaincy skills. A second goal is to discover and communicate the myriad of other chaplaincy opportunities in the association. Linking up the "people resources" of the local churches with these needs will be a crucial factor in the effectiveness of our chaplaincy work.

Chaplaincy Director

Discipleship Training Report

God's Word says: "And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men who shall be able to teach others also." (2 Tim. 2:2) We continue to praise God for what He is doing in our midst.

Our 1990-91 goals were (and the status of each follows):
(1) To encourage new training and emphasize New Member Training. We believe at least five churches began new discipling efforts and even more are giving emphasis to New Member Training. (2) To provide training on the new DT Records System. (Competed) (3) To conduct a DT Needs and Interest Survey of the churches. Of 61 churches and missions, 36 (59%) responded. The survey result gave clear guidance to our associational needs. A report was made to the churches, and seven training

conferences given. (4) To instruct on and encourage the use of the Church Study Course Awards Sytem applicable to all church programs. This training provided **ALONG WITH** how to obtain audio-visual support services (also for all church programs) quality video tapes and filmstrip services at a postage fee only costs through our NC State Convention Film Library (Call: 1-800-395-5102).

Edenton and Rocky Hock Baptist Churches each blessed us with a Youth Bible Drill team this year. We were also blessed with extraordinary support from our state and national conventions this year in materials and guidance. Our associational team continues to grow in knowledge and commitment. We look forward to an exciting new 1991-92 year wherein more of our people will see the urgent need to: "**GO** (and as you are going)...**MAKE DISCIPLES...BAPTIZING THEM...**and **TEACHING THEM...TO OBEY EVERYTHING I HAVE COMMANDED THEM.**"

Disciple-ALL remains God's direction to us. The Associational Discipleship Training Team stands ready to help you in any way we can. Please call me at 491-8268 or call the associational office at 426-9621.

General Board Report

North Carolina Baptists continue to be involved in a multitude of ministries across our state, nation and the world. As a matter of fact, I continue to be amazed at the number and varieties of ministries in which we are involved.

This past year I was elected by our Social Services Committee of the General Board to serve as its vice-president (or its liaison) to our Baptist Retirement Homes. In May I had the opportunity to visit the beautiful and outstanding facilities at Brookridge in Winston-Salem. I came away tremendously impressed, not only with the marvelous facilities, but also with the caring and compassionate Christian love of those who work there ministering to our senior adults.

At the May meeting of the General Board, President Glen Holt asked me to serve on the Institutions Relationship Study Committee. This committee of seventeen has been requested to carefully study the relationship between the Baptist State Convention of North Carolina and its colleges, Social Service Institutions (Baptist Retirement Homes, Baptist Children's Homes and Baptist Hospital), the *Biblical Recorder* and Baptist Foundation. Many of you are well aware that some of our Baptist colleges in North Carolina, as well as throughout the Southern Baptist Convention, have expressed an interest or desire to change the selection process for their respective Boards of Trustees.

The task of this special committee is great indeed and needs the prayerful support of North Carolina Baptists. Committee members will be available for "listening sessions" at the Baptist State Convention in Asheville next month. Feel free to stop by and express your feelings, ideas and concerns concerning these matters. This committee will give an interim report at this year's Convention and will present its recommendations at the 1992 Convention to be held in Winston-Salem.

Music Report

This report finds your associational music director in the process of contacting musicians from different areas of our association to serve on an associational music committee. The idea to form this committee was just one of the suggestions made to Mr. Eiland and me on July 18, 1991 as we met with Mr. Neal Eller, associate music director of the NC Baptist Convention. Hopefully several of the ideas presented to us will come to be in the future. The writing of this report also coincides with helping some of our volunteer musicians attend weekend music retreats at Caswell and Caraway Conference Centers. We offered to pay the way for those wanting to learn from these experiences. I am pleased to report this offer was taken advantage of.

Denise Gregory
Associational Music Director

Property Committee Report

Many people across our Association shared in the dream of our Resource Center, but not even I envisioned the facility being used in the numerous ways that it is serving our Association. What can we say but, "To God Be the Glory." During this past year we have been trying to finalize the small things that we had overlooked or postponed at the time that we occupied the building in May 1990. Tables, kitchen supplies have been purchased and additional shelving and displays have been builit in the Media Center. We still like a few items that we will finish in the months ahead. Remember our Resource Center is open Monday through Friday from 9:00 a.m. to 1:00 p.m. We ask that if you are passing by, please stop and take notice of the work being done out of our Resource Center.

Terry Fowler, Chairman
Property Committee

Stewardship Report

A steward is a manager. Stewardship means management. One's life, influence and resources belong to God. Christian stewardship is managing what belongs to God. The goal is to accomplish God's redemptive purpose as expressed in Christ's birth, death and resurrection. Regular giving to one's church is a part of discipleship. Howver generous giving is possible only when a Christian manages carefully everything God provides so that a growing percentage can be used for Christian causes.

The challenge is a program designed to offer a positive challenge to Christian giving based on 2 Corinthians 9:7 - "Every man according as he purposeth in his heart, so let him give, not grudgingly or of necessity: for God loveth a cheerful giver."

Because the Bible highlights missions as being of primary importance to Jesus, who in his final and great commission to the disciples declared, "and ye shall be my witnesses in Jerusalem, in Judea and to the utmost parts of the earth."

A stewardship seminar will be held next March 7, 1992 at the Chowan Baptist Resource Center in Hertford.

Geraldine Humphries, Chairman
Stewardship Committee

Sunday School Report

Your associational Sunday School program enjoyed another year of improvement and training. We now have a complete ASSIST team, with two members in several positions. Our most pressing need is for qualified leaders in youth and general officer work.

Team members participated in two major training events: the ASSIST Institute in Cary in February, and Sunday School Mini-Week at Caraway in July. The willingness of our team members to use personal vacation time to attend training opportunities is a testimony to their commitment.

Our ASSIST team provided two major training events for the association. In April, we held associational training schools in three locations: Edenton, Elizabeth City, and Manteo. The total attendance was 160.

On September 15, we conducted our second Sunday School U. Over 190 teachers and workers had 3 1/2 hours of training provided by a faculty of 19 leaders.

Our thanks to Edenton Baptist and First Baptist, Elizabeth City for hosting our training events this year.

Our VBS program also experienced a fine year. A complete team attended the regional VBS training event in February and the associational clinic was attended by more than 125 participants. The "Early Bird" clinic for VBS directors was held in March with more than 20 attending. Thanks to Corinth for hosting our associational VBS clinic.

We regret to inform you that our associational VBS director, Mrs. Phyllis Broyles, has resigned. Her responsibilities at Oak Grove required more of her time, and she was unable to continue with the associational VBS work. Phyllis did an outstanding job, and her contribution will be missed.

We solicit your prayers for the coming year, together with ideas for service, recommendations for new team members, and offers of support for our associational S.S. efforts.

Vic Ramsey
Associational Sunday School Director

WMU Report

"To Him who by means of His power working in us is able to do so much more than we can ever ask for, or think of: to God be the glory in the Church and in Christ Jesus for all time forever and ever! Amen" (Ephesians 3:20-21 TEV). What a meaningful Watchword this has been for the WMU this year.

This has truly been an exciting year for WMU. For me, of course, the highlight has been my volunteer mission trip to Brazil. Experiencing missions firsthand has to be one of the greatest joys in life. Thus far, I have shared my Brazil experiences with twenty-one groups and still have two more dates on my calendar.

We held our fifth annual VIP Party for the learning disabled this past October with about 75 campers. Doris Godfrey, once again, did an outstanding job coordinating the event.

Our State Annual meeting was held in Winston-Salem this year with approximately fifty from our Association attending. As always, the meeting was well planned and interesting.

Our Associational Annual Meeting was held in April at Woodville. We had 182 to register, representing 36 of our churches. This offering was presented to our Acteen Activator Group for their mission trip.

Our own Robert and Linda Plummer, missionaries to the Dominican Republic, were our guest speakers. Our moderator, Reverend Howard Simpson, and our DOM, Reverend Lamar Eiland, both gave inspiring messages.

Several of our churches received either Standard or Distinguished Recognition on the Achievement Guide. The Associational WMU Council received the Distinguished Award.

Most of our churches participated in the Foreign and Home Mission Studies and the Weeks of Prayer leading up to the Lottie Moon Christmas Offering and the Annie Armstrong Easter Offering. State and associational missions were also emphasized. Also, WMU focus Week is a highlight in our churches.

My successor, Vivian Jordan, attended the Key Leadership Conference at Ridgecrest this past May and received a preview of the coming events and emphases in WMU for next year.

Joan Cooper, Mission Action/Personal Witnessing Director, did an outstanding job this year with a different project planned for each quarter. The migrant ministry went very well with 614 health kits and 282 "Use-Me" booklets being distributed. Seven snack suppers were served, and Spanish Bibles, clothing, and blankets were distributed.

The WMU Council meets quarterly to plan associational events. All of the Council received training from our state leaders this summer. We held our local workshop for church WMU leaders in September at Coring with repeat session in the afternoon and night. A collection was taken up to help buy gifts for the women in the Correction Center in Raleigh.

Our annual prayer retreat was held at Camp Cale. The Baptist Women, led by Varina Hollowell, and the Baptist Young Women, led by Anne Hare, did an outstanding job in planning the event. Reverend Donal Seymore of Yorktown, Virginia was the prayer leader.

Our age-level organizations have done a superb job this year. The Acteens, led by Ellen Rountree, had a fall event in November and a lock-in in March. They also held a day camp in June. We are proud of our first ever Acteen Activator group. The girls and leaders went to Bryson City, NC on a resort ministry trip. This was a rewarding experience for them.

The Girls in Action, led by Elaine Roberts, began with a fall event in November where I was privileged to share my Brazil experiences with them. The GA Olympics at Eureka was a fun day for all. Their day camp was held in June.

The Mission Friends, led by Cheryl Phillips, held a leaders' workshop in March. This was a time of sharing ideas with each other. Their day camp in July was successful.

Our Enlistment and Enlargement Director, Bertha Blanchard, has worked very hard promoting ideas for enlisting new members. Vivian Jordan has been an invaluable help both to me and to the WMU as a whole. I have had a very dedicated and capable Council this year and I really appreciate their work.

Our association WMU cookbook project has been a tremendous success. Our profit of almost $9,000 has been designated for our new associational building. Terri Fowler did an excellent job organizing the project along with her committee of Joan Asbill, Audrey Bunch, and myself.

I am sincerely grateful for the privileges of serving the WMU the past four years. It has been very rewarding and enjoyable. I shall be leaving WMU in very capable

hands with Vivian Jordan as new WMU Director. I shall keep you continually in my prayers. God bless you all!!

In His Service,
Faye Ober
Outgoing WMU Director

Bethel Baptist Church

March 1, 1806

On March 1, 1806 Bethel Baptist Church was started. Elder Martin Ross was the first pastor, serving from 1806 to 1837. Their history reveals that 36 pastors have served the church in its 136 years. Also that Bethel is the mother church of Edenton Baptist started in January 1817 and Hertford Baptist started in January 1819.

The church met in the Yoppim Chapel until 1837 when a building was built. During 1917 the present building was remodeled and painted thus assuming its present form. In 1950 the Educational Building was added, in 1954 the parsonage was built, in 1977 the Fellowship Hall was constructed. The whole complex was bricked in 1992.

Their present membership is 285 with 132 being resident members. The church called their 36th pastor, Rev. Jerry Boyd in 1989.

Warwick Baptist Church

Organized in 1861

Prior to the Civil War, probably in the 1850's, the people of upper Chowan County and lower Gates County did not have a church, nor the privilege of attending religious services except under oak trees near Warwick Swamp which separated the two counties. On October 25, 1859, land was purchased for one dollar, for the sole purpose of erecting a house of worship. Warwick Baptist Church was organized in 1861 with Ballards Bridge Baptist Church as its mother church.

The first house of worship was a small frame house built by its members. When it outgrew itself, a new building began in 1905. Mr. Ephriam Bunch was called as the first pastor.

The church has grown under the leadership of the Holy Spirit. There are presently 403 members with 321 classed as resident members. The church observes regular worship services each Sunday morning and evening. Sunday School, Discipleship Training, WMU for all age groups are active in the church. Prayer time and Bible Study is conducted each Wednesday night except the first Wednesday following the first Sunday of the month which is Family Night. All services are blessed with music from talented choirs and musicians.

The Pastor, Bobby P. Owens, was called on May 10, 1992 to a church of movement, growth, and caring being led by God in His will.

Presented To The

187th Annual Meeting

of the

Chowan Baptist Association

Annual Meeting Committee Report

This is the first annual meeting to be conducted on the new schedule specified by the new constitution adopted last year: "on Monday and Tuesday in afternoon and evening sessions." Our committee took advantage of the new format to strike a new balance among the various parts of the meeting. We hope this year's program will give adequate time for reports, programs, business, and worship AND still move along at a good pace.

As we designed the program, we took a cue from our heritage. The first Baptist Association in America was the Philadelphia Association, begun in 1707. In their meetings, Philadelphia Baptists enjoyed preaching, music, fellowship, and receiving the Lord's Supper together. We have included those same good elements, event the Lord's Supper. What better way could there be for the Baptist saints of the Chowan to experience being "Called to Commitment and Communion?"

We invite you to express your thoughts about how this program goes. I'd like to hear from you and pass your suggestions on to next year's committee.

The committee makes the following recommendations for future host churches and prechers:

1993 - Monday, Sandy Cross . . . . . Preacher: Dennis Shaw
Alternate: Sonny Diggs
Tuesday, Woodville . . . . . Alternate: Terry Fowler
Alternate: Don English

1994 - Monday, Berea
Tuesday, Shiloh

Respectfully submitted,
Doug Murray, Chairman
Gladys Baxley, Corrine Thorud
Dennis Shaw, Bobby Owens, Allen Crouch

Associational Council Report

The Associational Council has been pleased to serve the Chowan Baptist Association this year. Our meetings have resulted in coordinated planning for the year ahead, advising committee chairmen on projects, working with our Director of Missions, and of course, serving as your Constitution Committee again.

You will find a report detailing the proposed amendments to the Constitution in the Book of Reports. On behalf of all of the committee chairmen, program directors, Missions Council Director, and officers, we thank you for the privilege of serving you.

Bob Crisp, Chairman
Associational Council

Brotherhood Report

As you all know, the Brotherhood is one of the churches' educational organizations which provides missionary education for men and boys. Our tasks include: Teach missions, lead to participate in missions (the **doing** of missions), provide organizational and leadership for special projects of the church, interpret the work of the church and the denomination, and develop personal ministry.

1992 has brought some positive improvements in our Association. Through the leadership of Horace Pritchard, RA Director, and his sports committee, we have compiled a Chowan Association Basketball Program Manual. (See at end of report). We feel that this will improve our whole basketball program. We're also planning to have an associational track meet and model car

racer's competition for the coming year. With the addition of these two events we will involve more boys and hopefully cause them to be active in their local RA program.

I have visited with several Brotherhoods throughout our Association this year and see a lot of good things happening. I also had the good fortune to participate in a medical dental mission trip to Honduras. We were gone ten days and most importantly had 205 decisions for Christ. (I hope to return this winter). I also attended the State Brotherhood meeting as well as the N.C. Baptist Men Board of Advisors meeting in Raleigh.

If your church has an active Brotherhood program or if you have an interest in starting one, I'll be more than happy to come and speak on the merits of the Brotherhood or I'd be happy to tell you about my trip to Honduras.

Hopefully next year will be our best year yet in our Association for Baptist Men and RA work. I would like to close my report with one of my favorite verses of scripture from the book of Philippians 4:13. "I can do all things through Christ who strengthenth me."

PREFACE

Royal Ambassador sports is designed as an interest activity to assist churches in promoting fellowship and growth **through** the R.A. program. In keeping with this promotion, the R.A. Sports program will be used to promote insight and action by the participants of the ideals set forth in the R.A. pledge. We recommend you to refer to your R.A. pledge and refresh your memory as to the importance of ideals as sportsmanship, spiritual, physical and social development of each Royal Ambassador. It is the prayerful desire of the sports committee that those of us who work with R.A.'s will seek to use the sports program as an **interest activity** to promote Christian fellowship and growth **through** the R.A. program.

We wish to see sports used as an activity in promoting and developing the R.A. program in your church. We do not wish to see sports become the focal point of your R.A. program.

PURPOSE

A. To promote Christian fellowship and growth through the Brotherhood program.
B. To promote insight and active participation of the ideals of the Brotherhood program.
C. To develop physically, i.e. motor skills, staying fit.
D. To develop sportsmanship (as a team and as an individual).
E. To develop meaningful relationships, i.e. boy to boy, boy to adult, adult to adult.

Camp Cale Management Committee Report

Often your task will be many, and more than you think you can do. . . Often the road will be rugged and the hills insurmountable, too. . . But always remember, the hills ahead are never as steep as they seem, And with faith in your heart start upward and climb 'til you reach your dream. For nothing in life that is worthy is ever too hard to achieve. For faith is a mover of mountains, there's nothing that God cannot do, so start out today with faith in your heart and climb 'til your dreams come true.

Your Camp Cale Committee has had great dreams concerning your camp, as they strived to do the work that will make it a better place to visit and enjoy. We hope that one day the Camp site will become a meeting place for ALL the Associational Meetings, even though we are grateful for the activities that are being held there now, we are dreaming of much more.

Camp Cale has been used almost every week during the past year, for retreats, picnics, V.I.P. party, Acteen and G.A. day and many more activities, as souls have been saved and lives changed.

New items were purchased to help make the camp a safer and better place for everyone - a new stove, freezer and lots of work has been done on the bathhouse and much more.

God has blessed Camp Cale. "We believe it is God's mission." Wonderful things are happening as we see our dreams come true. Your Camp is the greatest MISSION FIELD around.

We thank you for each effort you have made in any way for the camp, it's your camp, please take advantage of every opportunity you can to use it.

"God's presence and greatness are revealed in the very processes of nature." He reminds us that He is present wherever we are. Where can you find any more nature than at your own Camp Cale?

Chaplaincy Report

Last year's primary goal for our chaplaincy work was to follow up on the establishment of a hospital chaplaincy program at Albemarle Hospital. This goal was realized in March of this year as the hospital and the Elizabeth City Area Ministerial Association joined forces to establish this program. While the program is ecumenical in nature with a wide range of denominations participating, it is solidly represented by several of our Association's pastors.

This ministry has met with a great deal of success and meaning in the lives of those people residing in, and visiting our region who find themselves in a real crisis. Thank you for your continued prayers for this ministry as it evolves and develops.

Bob Crisp, Chairman
Chaplaincy Ministry

Discipleship Training Report

There is a very good Christian book on the market today titled, *The Disciple Making Church* (Publisher: REVELL). Pastor Bill Hull is the author. He gives an unusual vision and focus to the discipling need:

"Any church includes people in various stages of their walk with God: Some are in crisis; others are defeated; some are ready to be trained or ready to lead. . . The discipling church is at least three things: a hospital for the spiritually sick, a greenhouse for the growth of new believers, and a training center for the eager and well. . .

In his summary chapter, he cites eight principles of the discipling church evidenced through the New Testament:

1) AN INTENTIONAL STRATEGY: 2) THE GREAT COMMISSION AT THE HEART OF THE MINISTRY; 3) MULTIPLICATION AS A METHODOLOGY; 4) ACCOUNTABILITY AS A CATALYST TO OBEDIENCE; 5) THE SMALL GROUP AS THE PRIMARY DISCIPLING VEHICLE; 6) APPRENTICISHIP IN DEVELOPING LEADERS; 7) LEADERSHIP SELECTION BY GIFTS AND CHARACTER; 8) DECENTALIZATION OF MINISTRY. I commend this book to you as a disciple of Christ. . .

We made steady progress in the growth of our DT effort through the 1989, 1990 & 1991 church years. Our 1992 reports show an increase in enrollment but a decrease in attendance compared to 1991. The overall four year record shows:

Years	Enrollment	Avgerage Attendance	% of Attendance
1988-89	806	295	36.6%
1989-90	*1,507	655	43.5%
1990-91	2,338	773	33.1%
1991-92	2,595	709	27.3%

*change in reporting method accounts for some of increase reporting method remains the same in last three years

Without our pastors, many of us would have very little DT (period). But the short, mid, and long range goal reamins. . . lay people are accountable for the discipling ministry. As God directs and provides, we should organize to make it so.

We are thrilled over the achievement of our children and youth at Rocky Hock Baptist in becoming state level Bible Drill winners.

We especially thank the members of our associational DT team for their efforts and dedication over the past two years: Mrs. Geraldine Humphries, Rev. Rick Durham, Rev. Mickey Willard, Rev. Alen Admire, Rev. Joe Scalf, and Mrs. Patience Credle who was our state level associate.

We also thank our DT directors, teachers and helpers in all of our local churches. Few of you seek or get any kind of recognition, but you are more than deserving.

We have moved from 19 churches and missions doing DT in 1989 to 32 in 1992. If The Lord tarries, we foresee and expect a far greater overall DT in 1993. Your prayers and a commitment to do God's Will will achieve that end.

May we leave you with one challenge for the new year. Our annual doctrinal study this year will be: THE DOCTRINE OF SALVATION. HEREIN IS THE MISSION AND PURPOSE OF CHRIST AND HIS CHURCH. We challenge every church and mission to teach that doctrine in 1993 and to urge their members to come and learn as they have never done before. And to commit their learning to one prayer: "THAT GOD, YOU WILL ENABLE ME TO LEAD ONE PERSON TO CHRIST IN 1993."

Sam Jolly
Discipleship Training Director

CHOWAN BAPTIST ASSOCIATION

Minutes of the Executive Committee
July 14, 1992

Last quarterly meeting of The Chowan Baptist Association (CBA) Executive Committee for the church year 1991-1992:

The meeting was called to order.

Rev. Ric Durham opened the meeting with prayer.

Due to the illness of the Clerk, Brother Don Wagner, Moderator, appointed Sam Jolly to act as interim clerk.

ROLL CALL OF CHURCHES: 27 churches and 51 persons present. The minutes of the CBA Executive Committee on April 14, 1992 were approved as read. New Pastors recognized: Rev. Henry Gray, Pastor, Sawyers Creek Baptist Church.

The Director of Missions reported on a number of matters:

The Vacation Bible School reports look good. Very proud of one church reporting VBS after many years of no VBS. Reminded other churches of the need to submit their reports quickly.

Many of our associational committees are hard at work particularly in preparation for the new year and our annual associational meeting beginning at 4:00 p.m. each day on October 19 and 20 (Monday at Bethel and Tuesday at Warwick).

The US-2 Worker (missionary position) for our association has been approved for a period of two years. Miss Elizabeth Suzanne Bentley is designated to fill the postion. Suzanne will be commissioned as a missionary in the near future and arrive here in August/September 1992. *A motion was made by Rev. Tom Hupp and seconded by Rev. Bobby Owens: Motion: "That we extend a call to Suzanne Bentley to be a US-2 Worker in our association."* The motion carried unanimously. We hope to give due recognition to Suzanne at our annual associational meeting.

Brother Lamar apprised the committee on the continuing work of the associational council in "fine-tuning" several constitutional matters including the handling of employed staff details in the policies and procedures manual; affirming the rotation of trustees; changing the name of the Missions Council back to Missions Development Council; adding the Media-Library director position; and gaining authority for the writing of checks in an emergency situation and in the absence of the treasurer; and a few other job description matters.

He also reported on the standing of our association among some 1,211 total association in the SBC as measured by SS/DT/WMU enrollment and other factors. Our association is large (which gives us a favorable start in this type report). But the collective efforts of our churches and thus overall associational standing are commendable regardless. We stand 99 in number of churches; 73 in WMU enrollment; 391 in baptisms; **under** 300 in all other areas measured (206 in average SS attendance.)

The treasurer's report was accepted as read.

Brother Sam Jolly reported on Discipleship Training and advised our efforts in the Church Study Course Program while commendable for a number of our churches indicated an overall need and opportunity for a far more substantive achievement.

Sister Vivian Jordan reported on our W.M.U. and advised of a continuing active and successful program.

Brother Jimmy Smith advised of the forthcoming annual Region One Brotherhood Conference at Chowan College on August 29 (10:00-12:30). He also introduced Brother Horace Pritchard of Berea Baptist Church (Chairman of our Sports Committee) who reported on the new associational rules for our basketball program. Brother Pritchard advised the rules had been placed in a pamphlet applicable for our CBA which will be available to all churches wishing to participate in our basketball program (girls or boys). A Final approval of the rules was not requested at this time pending some refinment during the season's play in October 1992. After associational approval, the Sport's Committee recommended that the rules could not be changed except by a three fourth's approval of the committee.

Brother Sonny Diggs reported we had 23 boys attending our first week of summer camp at Camp Cale. One young boy was saved. The overall program went well, and the salvation of one soul is worth all the effort. There are 28 girls attending the second week's program. There are two more weeks of camping to follow.

Brother Vern Gilmer reported for the Finance Committee and advised of their continuing work on next year's budget. On behalf of the committee, *Brother Gilmer made a motion which was seconded by Brother Don English: MOVE: "That the amount of $2,400 per year be designated to the Outer Banks Mission, retroactive to October 1991 in our (current year) budget."* After due discussion of the need and explanation that this would add $1,200 to the previously budgeted amount, the motion carried.

Brother Don Wagner reported for the Youth Committee. The Youth wished to advise all churches there will be an Associational Youth Retreat in October. Further plans will be announced.

All committees expressed appreciation for the support of the association. There were no other committee reports. There was no new business.

The members present shared many prayer needs and requests on behalf of their church members. Brother Don Wagner closed in prayer on behalf of all and our association.

A motion to adjourn was seconded and passed.

Respectfully submitted,
Sam Jolly,
Acting Clerk

General Board Report

During the past year and a half I have served on the General Board's Institutions Relationship Study Committee. During this time period we have met on fourteen occasions. In addition, I have met with the Executive Committees of three different associations to listen to what Baptists have to say concerning our colleges, social service institutions and agencies. The Institutions Relationship Study Committee, having met with the presidents of our colleges and CEO's of our Social Service Institutions and agencies on three different occasions, and having mailed

out a survey sheet to over 23,000 North Carolina Baptists, have arrived at the following recommendations to be presented to the Baptist State Convention in Winston-Salem on Tuesday, November 10, 1992:

1. We reaffirm our confidence and relationship in Fruitland Baptist Bible Institute.
2. We reaffirm our confidence in our North Carolina Baptist colleges, instutions and agencies.
3. We reaffirm the current quota system as a desirable guideline (not a mandate) that 25 percent of the trustees/directors come from churches with fewer than 400 resident members.
4. Up to one-fourth (25 percent) of the trustees or directors of each college, university, social service institution (children's homes, hospital, retirement homes), Biblical Recorder and Baptist Foundation, may be members of Southern Baptist Churches outside of North Carolina. However, all trustees/directors would be elected by the Baptist State Convention of North Carolina.
5. Up to one-half (50 percent) of the trustees/directors may be nominated by the institution or agency. However, they must all be Southern Baptist and must be elected by the Baptist State Convention of North Carolina. If they choose to go this route, there will be a corresponding reduction in Cooperative Program support. For example, if the institution/agency nominates 25 percent of its trustees/directors, then the Cooperative Program would be reduced by 25 percent. If the convention fails to elect such individuals, then the institution/agency alone shall have the right to nominate another person for the vacancy who then must be elected by the Baptist State Convention.
6. The present guidelines for "Services Rendered" is to be restudied and the responsibility for following such guidelines will rest with the trustees or directors, who will in return, make a full report of all such transactions to the General Baord.
7. Each institution/agency should be distinctively Christian and distinctively Baptists. Each institution and agency is required to continue, improve, or create those structures, programs and events which will ensure the continuation and development of positive Christian and Baptist influences in their life and work, and is required to report these in greater detail than in previous years to the Convention.

Respectfully submitted,
Robert B. Poole

Media Library Report

During the past year, I have been working as Media Library Director for our Association. Several tasks have been accomplished. A subject list has been compiled for the Woman's Missionary Union videos which are housed in the Media Library. Periodicals and kits from various Southern Baptist agencies are displayed in the Media Library. Some of these periodicals are being kept for further reference. A picture file is being compiled for churches to be able to use in future. Free materials are available for use by churches or individuals. A vertical file has been compiled with information on various Southern Baptist subjects. It has been a busy year but the Media Library is taking shape. Any church in the association with questions concerning starting a Media Library should contact me at the associational office.

Emily Stevenson, Director
Media Library

Pastoral Ministries Report

The purpose of the associational program of pastoral Ministries is to assist the local church pastoral ministries team. We are now in the process of transition from a problem resolution team/ordination committee to the assistance team that we should be - a team that seeks to equip pastoral leaders.

The question now is who are pastoral leaders? The pastoral leaders of the local church are: pastors, church staff person, deacons, support staff person, church council, church officers and church committee members, church vocation volunteers and church weekday education staff.

The assistance will come in the form of conferences, workshops, retreats, projects, and activities for pastoral ministries persons (vocational, bivocational and volunteers). Assistance can be given on an association wide basis or on a local church basis.

This past year we had an excellent Deacon/Spouse Seminary led by Eddie Hammet, who heads up Deacon Training for the N.C. Baptist State Convention. Over 200 deacons, spouses and pastors were in attendance in spite of the fact that on this particular night the final game to decide the national college basketball championship was being played. Over one-half of our churches were represented.

At this time, plans are on the drawing board for a deacon/pastor conference for the coming year. If your church has a specific need that Pastoral Ministries may assist you with, please let us know.

Rev. Mickey Willard
Pastoral Ministries Director

Personnel Committee Report

Upon recommendation from the Camp Cale Administrative Committee the Personnel Committee interviewed the prospective caretaker for Camp Cale. The Personnel Committee recommended the employment of Allen Ray and Kim Cartwright as caretakers of Camp Cale to the Executive Committee and the recommendation passed.

The constitution charges the Personnel Committee with the responsibility of making recommendations to the Finance Committee regarding "adjustments in compensation for all employees." The personnel Committee gave recommendations to the Finance Committee in this regard.

Don Wagner, Chairman
Personnel Committee

1992 Summer Camping Program Report

the Summer Camping Program at Camp Cale proved to be as successful this year as in the past years. Camp Cale ministered to youth and children from all walks of life and from different religious backgrounds than our own. We served Baptists, Methodist, Catholic, and a Quaker. We were also fortunate to serve people from other associations.

This year the children and youth enjoyed Bible study, singing, crafts, swimming, misisonaries, canoeing, sports and lots of good food. This past weekend the youth returned to Camp Cale for the second annual Youth Reunion. This year several youth and children made professions of faith and numerous rededications were made.

We believe that Camp Cale is a wonderful facility, and we also believe our staff and programs are competitive with other Baptist camps.

Thank you for the opportunity to serve at Camp Cale. Thank you for your support, whether it be money, gifts, prayers, and or by sending your children. We do hope you will continue

to pray for and support Camp Cale so this beautiful mission field God has so richly blessed us with, can be used for his glory.

Respectfully yours,
Sonny Diggs
Summer Camping Program Director

Sunday School Report

The 1991-92 church year was a busy one for our Chowan ASSIST team, marked by Sunday School training events in the spring and fall, and the VBS clinic in May.

On March 23, the VBS Early Planning clinic for Pastors and Directors was held at the Associational Resource Center with 28 in attendance.

Associational Training Schools were held at Berea Baptist Church on March 30, at Outer Banks Baptist Church on April 2 and at Rocky Hock Baptist Church on April 7.

On May 7, the Associational VBS clinic was hosted at Corinth Baptist Church. Inclement weather held attendance to a total of 68 for both the morning and evening sessions. Thanks are in order to each member of the VBS team: Tom Hupp (Outer Banks), Linda Needham (Hertford), Dorothy Parrish (Rocky Hock), Donna Stearns (Macedonia), Sherron Hobbs (Warwick), Garry Stanley (Edenton), Doug Roth (Outer Banks), and Jeannette Smith (Bethel).

Our third annual Sunday School U was held on September 20 at First Baptist Church in Elizabeth City, with a registration of 122.

I am grateful to each church which hosted an Associational event. In addition, the support of our Director of Misisons, Lamar Eiland and our secretary, Glenn Lane, has been invaluable.

For the second consecutive year, our ASSIST team achieved standart recognition from the Baptist State Convention. The credit for this achievement goes to a dedicated corps of leaders: Cheryl Phillips (Hertford), Lynnette Boyce (Berea), Meta Lowe (Moyock), Paula Mickey (Ramoth Gilead), Pat Dawson (Roper), Jeannette Smith (Bethel), and Sherron Hobbs (Warwick).

Woman's Missionary Union report

The Chowan Baptist Association WMU began the work for 1991-92 with a workshop for church WMU leaders at Corinth Baptist Church on September 19. The workshop, led by WMU Council members, had 148 persons present. The theme for the year was "Called and Accountable." The watchword for the year was taken from Acts 1:8; "But when the Holy Spirit comes upon you, you will be filled with power, and you will be witnesses for me in Jerusalem, in all of Judea and Samaria, and to the ends of the earth." The objective was to lead individual members to respond to God's call and to be accountable stewards.

Throughout the year the book *Called and Accountable* has been taught at various churches.

The annual VIP Party was held for the developmentally handicapped on October 12 at Camp Cale. There were 100 persons attending including 50 campers and a large group of Acteens who helped. This was a fun day for campers and workers. This event was co-chaired by Jill Lang and Terri Fowler who did an outstanding job.

About 50 members from our association attended the state annual meeting at Ridgecrest in March. The theme for this three day event was "You! God's Extraordinary Woman." Our women were inspired by hearing outstanding speakers and beautiful music.

Our own associational annual meeting was held in april at Macedonia Baptist Church. Nancy Curtis, our state WMU Executive Director inspired us with the theme "Called and Accountable." Rev. and Mrs. Terry Fowler told of their mission experience in Brazil. We had a total

of 196 present, representing 36 churches.

Several of our churches received recognition on the Achievement Guide. The association council also received the Distinguished Award. Our association was also among the top associations in the state in membership increase for the year.

Most of our churches participated in the Foreign and Home Mission Studies and observed Weeks of Prayer for our Lottie Moon and Annie Armstrong Offerings. State Misisons and Association Missions were also emphasized. WMU also contributed to Camp Cale and the Woman's Prison Ministry in Raleigh.

Terri Fowler, our Misison Action/Personal Witnessing Director reported that our churches donated a large number of baby gifts to the Albemarle Crisis Pregnancy Center. The migrant ministry went well with over 500 health kits, 50 blankets and 100 Use Me Books donated. Nine snack suppers were provided and Spanish Bibles distributed. A Personal Witnessing workshop was taught in July using the book, *Women of Faith in the 90's*

Our age-level directors have done an outstanding job. GA's and Acteens have each had fall and spring events and day camps in the summer.

Since we did not have a Mission Friends Director, Cheryl Phillips graciously agreed to help. A Mission Friends Leaders' Training was held in the spring and a day camp at Camp Cale in July. Our enlistment and Enlargement Director has worked to promote WMU and enlist new members. Secretary, Brenda Joyner, has been a tremendous help in keeping careful notes and records.

WMU ended its year with a very meaningful prayer retreat at Camp Cale on September 12 or Baptist Women and Baptist Young Women. We were led by our own Director of Misisons, Rev. Lamar Eiland. We were inspired by his words and music. This event, planned and coordinated by Varina Hollowell and Jane Chappell had 77 attending, representing 21 churches.

The WMU Council meets quarterly to plan association events. A full day of planning was held on June to prepare for 1992-93. Ten members of the council attended workshops during the summer and were trained by our state leaders. I also attended the Key Leaderhsip conference at Caswell and WMU Week at Ridgecrest.

I has been a privilege to serve as WMU Director, I have had the support and cooperation of all the council members. Because of their gifts, talents and hard work the work has been done. Please pray for WMU that we may achieve our purpose which is to teach, do and support misions.

Vivian Jordan
Association WMU Director

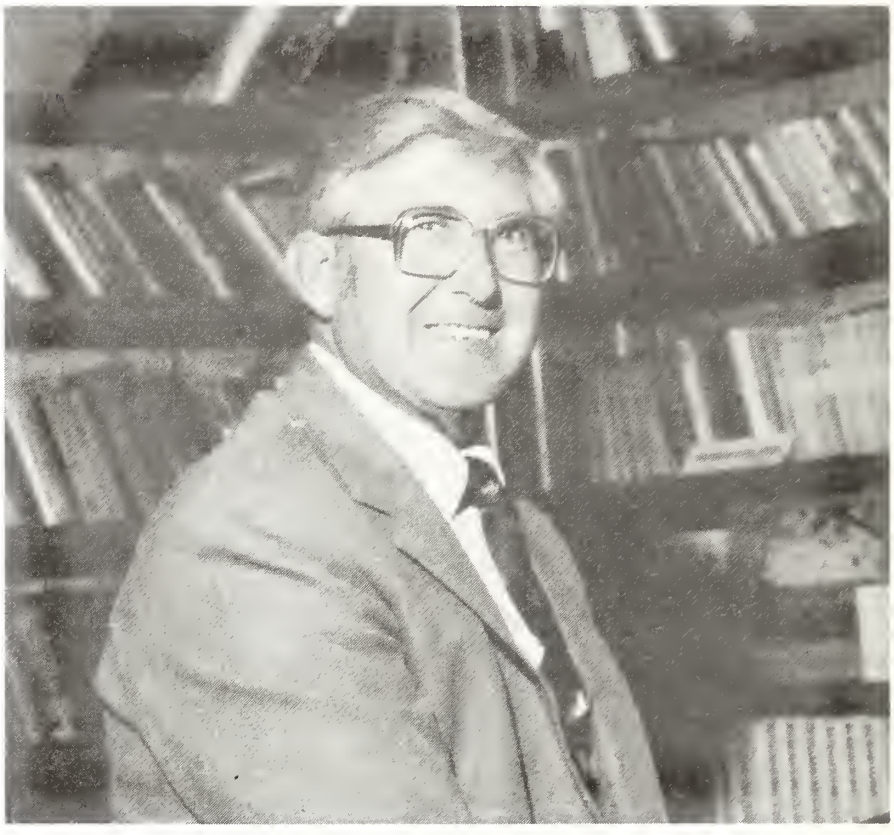
Dedication



Reverend George H. Cooke
1926-1992

The 1993 annual is dedicated in memory of Reverend George H. Cooke who passed away November 7, 1992. Brother Cooke was a much loved and respected pastor in the Chowan Association for many years. He was pastor of several churches in other Associations before coming to Ballard's Bridge Baptist Church in 1963 where he served until his retirement in 1988. He was past moderator of our Association and served on many committees during his time with us. Upon his retirement he was still active serving the Lord and preaching the gospel as interim pastor in several churches both inside and outside the Association. Brother Cooke was widely regarded as a gentle, kind-hearted man who was always quick to extend a helping hand to others, whether or not they were members of his own congregation. He was a "pastor" to pastors who held him in high regard for his wisdom and understanding. His Christian influence will follow after him for many years.

Sandy Cross Baptist Church
Hosted our 188th Annual Session

Sandy Cross Baptist Church was constituted on May 15, 1828 when an organization of Christians adopted a covenant and joined the Chowan Baptist Association. The first house of worship was known as Society Chapel and was located on the site now known as the McCotter-Stallings Cemetery. This property was received by a grant from North Carolina Governor Reid on August 19, 1851.

In 1857, Quinton Eason traded property with church trustees. It is assumed that a new church was built on the new site. Construction of the second building began in 1908 and was dedicated in 1912 at a Yeopim Union Meeting. This church was destroyed by fire during the night of January 25, 1972. A ground breaking ceremony was held January 7, 1973 and the new debt free church was dedicated May 19, 1974.

In its 160 plus year history the church has been served by 25 pastors. The Rev. Terry L. Fowler has led the church since November 1988. Between 1851 and 1916 Sandy Cross was instrumental in starting the following churches in the area: Whiteville Grove, Gatesville, Warwick Swamp, and Hobbsville. Sandy Cross is a Community Church for your family.

Woodville Baptist Church
Hosted our 188th Annual Session

The earliest known date on record of Woodville Baptist Church is the copy of the adopted Church Covenant dated 1873.

The church purchased 1.13 acres of land for $45.25. The original part of the building was built in 1875.

In 1949-50 under the council and encouragement of Rev. G.M. Singletary, who had been the pastor since 1947, Woodville entered a joint field of service with Riverside Baptist Church with Rev. James F. Burke being the first pastor of that work.

On September 20, 1959 Rev. William S. Brown became the first full time pastor of Woodville Baptist Church.

Much history was made from 1949 to 1973. Many professions of faith were made. The bus ministry was successful. Mission organizations along with the Training Union was active. Constructed an educational building and parsonage as well as remodeling the church. The church continued to grow both spiritually and numerically during the seventies under the leadership of Rev. Joseph Scalf.

In 1978, the church gave their fifth Sunday offerings to Cape Hatteras Baptist Mission.

In recent years some of the programs have been terminated, but the WMU has held to its motto "Laborers Together with God" and continues to be faithful.

We pray that those who write the next history will be able to rejoice in the Lord as they write: "Woodville Baptist Church is "Alive and Well," as they continue to serve the Lord faithfully.

Presented To The

188th Annual Meeting

of the

Chowan Baptist Association

Annual Meeting Report

Preparing for this annual event consists of many committee meetings, phone calls, letters and a series of "rough drafts" until the final copy is ready! The time and days in which we meet together has been determined by the messengers at our 1991 annual meeting. This is the second year of our Monday and Tuesday afternoon and evening format. Our committee has worked around this framework to bring you an informative as well as inspiring program that will allow ample time for reports, theme interpretations, business and most importantly, worship. We have tried to involve the laity as much as possible.

We look forward to meeting our new ministers, staff members and their spouses as we welcome them to our Chowan Baptist Association.

We express a sincere thank you to the Sandy Cross Baptist Church and to the Woodville Baptist Church for hosting this year's annual meeting.

Please contact this committeee with your thoughts on this program and any suggestions for next year's meeting.

Our committee makes the following recommendations for future host churches and preachers:

1994 - Monday, October 17 - Berea ..... Billy Presley, preacher
Bill Creef, alternate
Tuesday, October 18 - Shiloh ..... Bob Young, preacher
Hugh Mizelle, alternate

1995 - Monday, October 16 - First, Kitty Hawk
Tuesday, October 17 - Hertford

Dennis Shaw, Chairman
Annual Meeting Committee

Associational Council Report

The Associational Council has met several times during the year at which times reports were given from the members present.

A major work of the Council during the year was working out details concerning the request from owners of the Brinn property for right-of-way through Camp Cale property. Details of this transaction can be found in the report of the Executive Committee of the Association.

Respectfully submitted,
Billy P. Presley, Chairman
Associational Council

Associational Missions Development Council Report

Calvary Baptist Church has adopted the New Covenant Mission and God is richly blessing both. New work is being carried out through proper procedure so births and growth can be good.

Suzanne Bentley Plyler has been serving full time in Resort/Leisure Ministry. (See her report.) We have ministered to migrant workers and the Albemarle Hospital chaplaincy is active. A survey was taken with disappointing results. We had a good meeting. This has been a year of learning. I went to Home Mission Week at Ridgecrest. Missions Development is the future. There are many helps.

What about Chowan Baptist Association? Missions is the reason Southern Baptist exist. However, in 1992, with 59 churches or 12,545 resident members, we had a new growth less than one per church is 1%. Missions development is needed HERE!

With the unchurched outnumbering the churched and growing, with the resources and mandate of our Lord, with the helps of Southern Baptist the possibilities are great. We are all needed! Let us open our eyes and hearts.

Together we can do missions better. The Lord said, "Be fruitful and multiply." My children and grandchildren are a great joy. You do not have to be rich - just willing. Calvary Baptist Church has 218 resident members and has adopted a new mission. Twenty-two churches are larger and those who are not can join together to do missions, start churches, etc. Many people do not fit into our churches. They could be reached through missions that would not hurt but bless our established churches. Members would get excited, grow in Christ and bring back that excitement contagiously. Let us trust in Christ and bring back that excitement contagiously. Let us trust and obey. Let us develop missions to reach people for God's kingdom.

Bruce Warrington, Chairman
Missions Development Council

Brotherhood Report

1992-93 has been one of the busiest if not the busiest years ever in the history of Baptist Men. It seems like we have had disaster after disaster and our Baptist Men have been at the forefront with assistance to the people in need. We were on the way with our Disaster Relief Feeding Unit before Hurricane Andrew hit the coast of Florida. Our work continues today as we help in that rebuilding effort. As soon as authorities would allow we had teams on the way to the flooded areas of the upper Mississippi River. Work with the cleanup effort will continue for some time.

Our reaction to those and other disasters has given us a good reputation for helping people in need. When Hurricane Emily was threatening the coast of North Carolina, Baptist Men's groups from six other states called our associational office with teams wanting to come aid with feeding units and construction crews. Fortunately our damage was restricted to the areas of Hatteras and Buxton. Our church and parsonage in that area did not suffer any damage.

Let me share with you a unique project that some of our men were involved with that was sponsored by Region 3. As far as I know this was the first time this has ever been tried. The goal was to build from the ground up a church in two weeks and have services in the building at the end of that two weeks. Rev. Terry Fowler, our Region 1 Homeland Projects Director, carried a team from Sandy Cross Baptist Church to work on this project. If you would be interested in this type of mission trip, Terry tells me that other trips of this kind are currently being planned.

During all of these mission trips, I should also mention that as an equal part of the effort we are taking the opportunity to share Christ with those who we meet. Anyone who has been on any of these trips will tell you that they received a greater blessing than the individuals they were there to help. It is hard to describe what a good feeling you get inside when you put aside your own interests to help others with physical as well as spiritual needs in time of crisis in their lives.

As you can see we have done a lot of work this year not counting the hundreds of local projects that go unreported and the thousands of dollars sent to help people in need. If I had to give a theme to this year's work it would be "Putting Tracks to Our Faith." There is no better feeling than to give and expect nothing in return. Always remember the truth that we find in Philippians 4:13. I pray that as our new associational year begins you will "Put Tracks to Your Faith!"

Jimmy Smith
Brotherhood Director

Camp Cale Management Committee Report

Luke 12:48 For unto whomsoever much is given, of him shall much be required.

This year we are celebrating our thirty-first year at Camp Cale. On March 22, 1962, James and Elaine Cale donated 76 acres of land with 1300 ft. of waterfront property on the Perquimans River to the Chowan Baptist Association. We all have an awesome responsibility in maintaining and improving the property for the enjoyment of the members of our association.

Matthew 21:22 Whatsoever ye shall ask in prayer, believing, ye shall receive.

I can certainly attest to the fulfillment of this scripture. The Camp Cale Committee began its year by making a list of 13 priorities that we wanted to accomplish in 1993. Three copies of the list were mailed to all the churches in the association. As chairman, I also visited 19 of the 59 churches. I have truly been impressed and humbled by the response that we have received this year.

Acts 20:35 It is more blessed to give than to receive.

Individuals, churches, Sunday School classes, Bible Schools, WMU and Brotherhood groups have responded with enthusiasm and financial aid which has helped us to successfully carry out 50% of the items on our priority list. II Corinthians 10:7 For God loveth a cheerful giver.

Items Completed: Septic tank, milfoil in river, outside water cooler, microwave for kitchen, cut down all dead trees, and tuned both pianos. Other items and their stage of completion: Electrical wiring (90%), sports equipment (75%), repair to cabins, bathhouse, and kitchen (25%), and drainage problems (5%). No action taken: leaf blower, new lawnmower, and tennis/basketball court.

Proverbs 29:18 Where there is no vision, the people perish.

The Camp Cale Committee has already met and planned a new priority list for 1994. I strongly encourage each of you to catch the spirit, enthusiasm and excitement of Camp Cale. Please get involved with your prayers, presence and financial aid. Together we can make a great place better for everyone and to God's glory.

Harvey Roberts, Chairman
Camp Cale Management Committee

Discipleship Training Report

The Discipleship Training emphasis of our convention is rapidly turning toward a personally committed Christian adult discipling effort aimed at professionally and spiritually enabling our people to care and minister to the personal needs of others. It is a spiritual quest to provide a maturing, nurturing and loving (Biblically based) training process that has a Christ-like purpose and a practical application in the lives of people. It responds to what Christianity ought to be and moreover, to what God wants us to do.

The trend line courses in this endeavor are primarily Lay Institute for Equipping (LIFE) advance courses. Along with this emphasis is the need for New Member Training (NMT). We need a strategy in our churches designed to incorporate, train and retrain new members. That failure is a prime cause for the loss of new members, the SBC estimates a loss of 20% of our gains in the first year. We need to envision the spiritual growth possible with open, heart-warming, enthusiastic treatment of our new members. Other courses provided by Equipping Center Modules, Church Study Course books, and Continuing Training (dated) materials will also still be needed.

We again encourage you to read, study and use the Church Study Course Program on all applicable courses. This program is a means of training leaders and publicly recognizing the individual and mutual efforts of our people in their preparations to teach God's Word in Spirit and Truth.

We sincerely thank Rev. Terry Fowler, Pastor of Sandy Cross Baptist Church, for designing and producing our first Associational Bible Drill certificates. We thank the staff and children of Rocky Hock and Warwick Baptist Churches for their participation in our 1992-1993 Bible Drills. We thank Providence Baptist Church for hosting our Associational Bible Drills this year. We thank Berea Baptist Church for hosting our first "M" Night DT Program in over 14 years in our association. We are grateful indeed to the pastors and lay leaders who led this program for us and in the attendance of 23 churches and some 70 persons. We appreciate the efforts of our pastors and lay leaders who are sustaining the DT program in their church and making plans to begin anew in the forthcoming New Year.

We welcome Rev. Jeff Brown, Pastor of Providence Baptist Church, to our Associational DT Team as our Adult Training Leader.

Most of all we praise and thank God for that which he has done and ask his continued blessings upon this ministry to the glory of Jesus Christ, our Lord and Savior.

Respectfully submitted,
Sam Jolly
Discipleship Training Director

Executive Committee Report

The Chowan Baptist Executive Committee met in January, April and July fulfilling the constitutional requirements for meetings.

At each meeting reports from the Director of Missions, US-2 Missionary, committee chairman and organizational directors were received.

The Nominating Committee presented people to responsibilities within the association at the January meeting and they were duly elected.

Camp Cale was the topic of a lot of discussion because of the many needs presented by Harvey Roberts, chairman of the Camp Cale Management Committee. He had surveyed the camp and worked long and hard to bring the camp up to standard. With the assistance of many of our churches much was accomplished.

During the first quarter of this year, a special request was made to the Camp Cale Management Committee and in turn passed on to the Chowan Baptist Association Council. The request was for permission for a right-of-way to the Brinn property owners. After much discussion, the council authorized the moderator to appoint a committee to deal with this issue and bring a report back to the council that would be presented to the Executive Committee. The appointed committee members were: Billy Presley, Vice-Moderator, chairman; Harvey Roberts, Camp Cale Management Committtee; Vivian Jordan, WMU Director; Jim Hare, Trustee; Sonny Diggs, Director, Summer Program, Camp Cale; Martin Chappell, Ruth Crain, Terry Fowler, at large members; and Lamar Eiland, Don Wagner, ex-officio members. This special committee met several times and brought a report to the Executive Committee. After much discussion, the Executive Committee referred the issue back to the special committee and instructed a more detailed solution through the association's lawyer, a three months' time to pray and think about the issue. The Executive Committee voted to permit the right-of-way for the financial considerations as printed in the minutes of the July 13, 1993 Executive Committee minutes (page 10).

I appreciate your confidence in me to permit me to be your moderator these two years. The rewarding experience has been to get to understand the personal work our Director of Missions does for our churches, pastors and members. I have grown to appreciate him and his sensitivity to our needs.

Don Wagner, Moderator

General Board Report

This will be my final report to the Chowan Baptist Association as a member of the General Board of the Baptist State Convention. My four year term on the General Board has passed by ever so rapidly. It has been an opportunity for me to make many new friends, to see the inner workings of the Board as it transacts the business of the Convention between annual sessions. Furthermore, it has been a unique opportunity to serve North Carolina Baptists by serving on the Budget Committee, the Institutions Relations Study Committee and most recently on the Services Rendered Committee.

Being a Baptist has been a large part of my life. I was born into the home of Baptist parents. The house in which I was born is next door to the First Baptist Church of Clayton. It was in the sanctuary of that church where I was called to preach and later ordained.

I am a graduate of a Baptist university and a Baptist seminary. For the past thirty-three years I have lived in a Baptist parsonage within a hundred feet of a Baptist church. Over twenty-eight of these years have been spent at Corinth Baptist Church in Elizabeth City.

I have shared this information with you to show my strong background in Baptist life. I am pleased that I have been able to serve my Lord through the years in Baptist churches in my native state. While I am proud of the many wonderful things being done in our Baptist State Convention, I am deeply alarmed at some of the trends surfacing today in our Baptist life which seem to be out of character with Baptist tradition. We need to be diligent in holding firm to our historic Baptist principles and values while at the same time moving forward to complete the task to which we have been called.

Respectfully submitted,
Robert B. Poole

Media Library Report

This past year was another busy one for the media library. Literature from various Southern Baptist agencies are displayed. The subject and vertical files continue to grow. Borrowing materials may be arranged by contacting the associational office. In February participants at "M" Night were given the opportunity to view materials concerning Discipleship Training. If I may be of assistance to any church, please contact me at the associational office.

Director, Media Library

Pastoral Ministry Committee Report

The Pastoral Ministry Committee seeks to equip pastors and churches for growth toward health, productive relationships. Deacon Rally II was held in March with over 100 deacons, pastors and spouses attending. They were led in conferences on deacon ministry by Larry McClure of Sanford, NC and Bobby Stafford of the North Carolina Baptist State Convention. On May 29, the Pastoral Ministry Committee saluted our retired, supply and interim pastors with a dinner meeting at the Chowan Baptist Resource Center. Jim Lambert of the North Carolina Baptist State Convention led 28 pastors and spouses in a session on intentional interim work. Our committee worked to develop guidelines to assist us in examining candidates for ordination. We also worked with several candidates and churches who were exploring the possibility of ordination. Thank you for the privilege of serving.

Bob Young, Chairman
Pastoral Ministry Committee

Personnel Committee Report

The constitution charges the Personnel Committee with the responsibility of making recommendations to the Finance Committee regarding "adjustments in compensation for all employees." The Personnel Committee gave recommendations to the Finance Committee in this regard.

Don Wagner, Chairman
Personnel Committee

Stewardship Committee Report

The Stewardship Division of the Baptist State Convention seeks to assist churches and church members to grow in their commitment to the Lordship of Jesus Christ.

Throughout 1994, the Stewardship Division is planning Bold Missions Conferences for pastors, church staff and one or two laypersons from each church. The conference, which will include a meal at no cost to those participating, will last approximately one and one-half hours. Hopefully, we will all take advantage of this special Bold Missions Conference when it is held in the Chowan Association. Watch the associational newsletter for time and place.

Robert B. Poole, Chairman
Stewardship Committee

Summer Camping Program Report

The summer camping program at Camp Cale proved to be another successful year. We had fewer children this summer but the ones who attended had an exciting adventure.

Comments have been made by parents such as "my child really loves Camp Cale. It was a life changing experience for him." So many times children and youth come to camp with problems but they go home feeling more confident about facing their problems.

This year several children made professions of faith and numerous rededications. Camp Cale is a ministry, while having fun they are also being taught spiritual values and guidelines for daily living.

Thank you staff for doing an excellent job at camp. You are a dedicated and loyal bunch. Your work is greatly appreciated. Also thank you for the opportunity to serve at Camp Cale. Please continue to support camp, whether it be in prayers, money or sending your children. Churches, please talk to your children and youth before next summer about going to camp. We want your children. Trust us, they will have a wonderful time.

Lynette Diggs, Director
Summer Camping Program

Trustee Committee Report

It is a joy to work and build relations with fellow Christians. The Trustee Committee had that opportunity this year when we were requested to convey certain rights to our neighbor at Camp Cale. In July of this year the Trustee Committee conveyed access rights to the Whitehurst family who owns property adjacent to the association's Camp Cale property. This property access right was of course at the approval and request of the association.

Jim M. Hare, Chairman
Trustee Committee

US-2 Missionary Report

It has been a joy for me this year to serve as your US-2 Missionary. The fall and winter months were full of speaking engagements, visiting churches in our association, singing for revival services and looking for resort ministry opportunities throughout our Chowan Baptist Association. The spring months included a move to Kill Devil Hills, many speaking engagements on home missions and resort ministry, and hours of planning and

preparing for my first summer of ministry on the Outer Banks. On May 8 we held a Resort Ministry Training Event at our Resource Center. We had over twenty to attend. The training covered face painting, balloon sculpture and clown ministry.

This summer I worked with five summer mission youth groups from North Carolina, two Acteen groups from our own association, one Acteen Activator group from Virginia, and one volunteer summer missionary. These groups performed a variety of ministry activities from Kill Devil Hills to Frisco. These activities included day camps, family evening programs, clowning, face painting, balloon sculpting, puppet shows and worship services. The groups led these activities at the Outer Banks Beach Club, Camp Hatteras Campground, Collington Park Campground, Showdowns Frontier Gulf, the Outer Banks Mall, and right on the beach. Danny and I have also had the opportunity to conduct a Bible Study at The Lost Colony for the actors and staff, to begin a worship service at the Outer Banks Beach Club, and "Clown Around" at a GA Banquet.

This fall the Young Single Choir from Mount Vernon Baptist Church in Boone, NC performed two associational concerts. The choir performed at Corinth Baptist Church on October 7 and Manteo Baptist Church on October 8. On October 8 the choir also performed at the Soundings Factory Outlet Mall.

I has been a blessing to see the Lord working in the lives of volunteers and to see seeds being planted. Thank you for giving me the opportunity to serve the Lord with you this year!

Suzanne Plyler, US-2 Missionary

WMU Report

"Lead On" has been the theme for WMU during 1992-93, using the watchword from Joshua 1:6, "Be determined and confident for you will be the leader of these people as they occupy the land." Servant leadership has been stressed as we studied and supported missions and engaged in mission action.

We started the year with a church leaders workshop taught by WMU council members. 145 attended this workshop.

Our annual VIP Party was an outstanding success with the largest attendance ever. This event was co-chaired by Jill Lang and Terri Fowler.

The associational WMU annual meeting was held at Warwick in April. Missionaries Ronald and Evelyn Hill inspired us with reports of their work in Thailand. Several of our churches received recognition as a Standard or Distinguished WMU.

Most of the churches participated in foreign and home mission studies and observed the weeks of prayer for the Lottie Moon and Annie Armstrong offerings. Focus on WMU was observed in February.

The churches have responded to our mission action projects in an outstanding way. Over 500 health kits, 145 use-me books and several blankets were given to the migrants, a large number of shower gifts were collected for the Albemarle Crisis Pregnancy Center and around $1,000 was given to buy Bibles for the children at Kennedy Home. More than 800 coloring books and boxes of crayons were given to the local hospitals for children who are hospitalized. An offering was given to buy Christmas presents for the women in the correctional center in Raleigh.

Mission Friends Director, Peggy Boyd, GA Director, Marsha Winslow and Acteen Director, Melinda Craft have had activities for our age-level groups which were well attended.

The WMU Council has met quarterly to plan associational events. Ten members of the council attended the state workshop at Caraway in July.

It has been a privilege to work with this dedicated and committed group.

Vivian Jordan
WMU Director

Berea Baptist Church

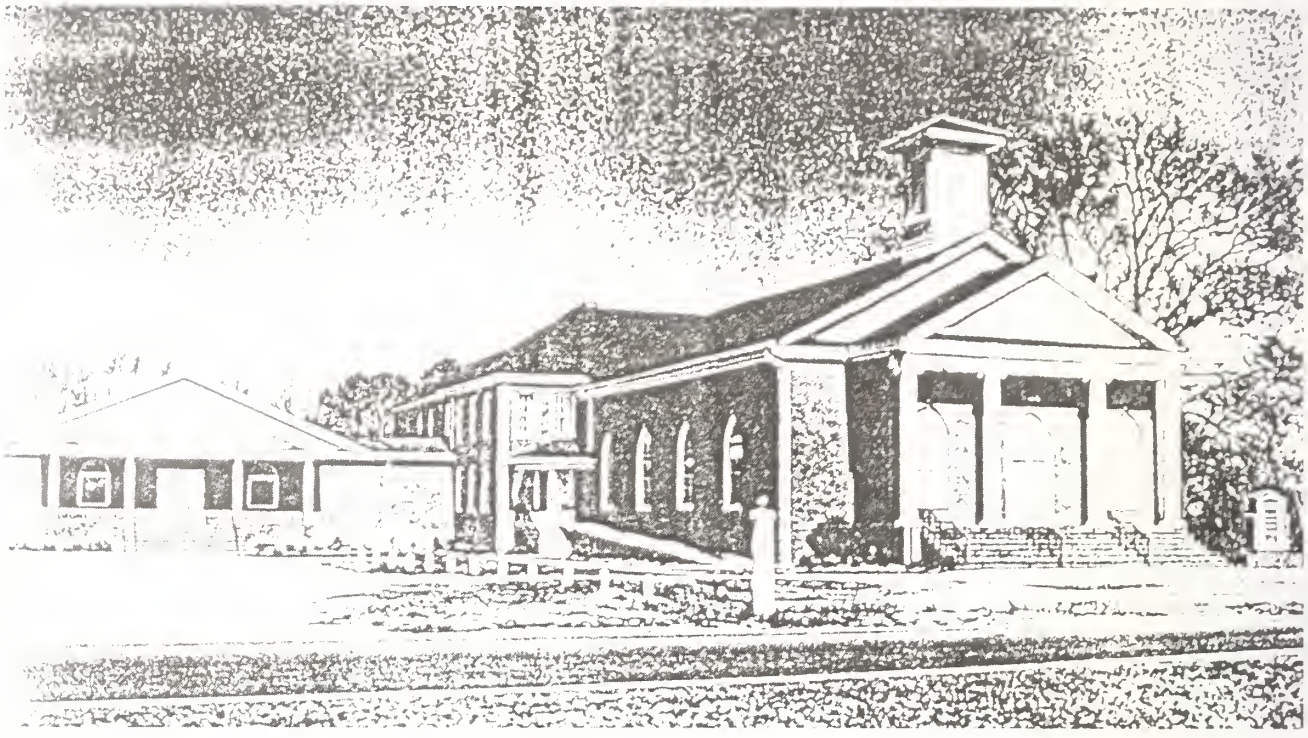
Berea Baptist Church was organized on April 12, 1856. In May of 1856 a letter was prepared asking admission of this church into the Chowan Association and delegates were elected to be sent. Reverend J.D. Stokley was the pastor.

The first Berea Church building was dedicated in August of 1858. No conferences were held between December 1862 and July 1865 because the church was often occupied by Confederate soldiers.

In 1890 an organ was donated to the church and by October 1922 Sunday School rooms had been built. In 1944 Berea was totally destroyed by fire. Construction on the new church began in October 1945 and on June 8, 1947 the first meeting was held in the new brick church. The parsonage was built in 1950. In 1956, we used our new educational plant and a library was started. A dedication service was held for the renovation of the Sanctuary which included stained glass windows and new carpet in 1968. In 1974, the Youth Recreation/Activity Building, steeple and chime system was dedicated.

Berea has had 28 pastors serve its members.

Shiloh Baptist Church



1727 - The Oldest Baptist Church in North Carolina

Shiloh Baptist Church was organized in 1727 in the home of William Burgess. It has undergone four name changes and four changes of meeting places. The church was first called Burgess' Meeting House. Later it was called North Meeting House then changed to Camden Meeting House. The name Shiloh was adopted in 1812.

The present building was constructed in 1848-1849. Many improvements and additions have been made since its beginning. The latest addition is the Fellowship Hall, which includes a kitchen, large fellowship room, pastor's study, bathrooms, and several offices. The Fellowship Hall was dedicated on Sunday, September 13, 1992.

During its history, Shiloh Baptist Church has ordained twenty-two ministers and organized nine churches. The churches include one in Virginia and eight in the Albemarle area of North Carolina.

Shiloh Baptist Church is still on the move with present membership of 475 with 388 resident members. The Church has had a total of 50 different pastors (some served several different times) since its beginning in 1727. Our present pastor, Dr. John W. Luton, was called February 28, 1993.

Shiloh Baptist Church, the oldest Baptist church in North Carolina, has a long history in working to save the lost. May this House of God be a beacon of light to the generations to come, as it has been to the generations of the past and present.

Associational Council Report

The Associational Council met the first Thursday of each month during the year. This is a very informal occasion when the Program Directors and Committee Chairpersons get together and share their ideas, plans, goals, dreams and prayer concerns with each other.

We have only been having eight to twelve present at each meeting. But we encourage all members of the Council to make every effort to attend. We need your insights and input and feel that we can be beneficial to you also.

REMEMBER: A good Council working together makes a better and more effective Association. May God bless us as we labor together with Him during the coming year.

Faye Ober, Chairperson
Associational Council

Associational Missions Development Council Report

Your A.M.D.C. has had several meetings the last few months. We have been studying the mission ministry needs in our association. Of course, there are many. As a result of our findings, we hope to target three priorities and, if approved, begin ministering in those areas right away and to others as soon as we can.

Your council feels that we need to begin an on-going work with the Hispanics in our association (both migrant workers and those who have settled here). We are also talking with the State Convention in hopes of getting a church and community ministries worker to help throughout the association. We are also making plans for an associational wide world missions conference in February 1996. As plans continue and are approved, we will keep you informed.

We are also happy to report that the Cape Hatteras Mission constituted as a church this past April. Fellowship Baptist Church has assumed sponsorship of the Trinity Baptist Fellowship/Mission in Elizabeth City.

We are looking forward to a great year of ministry. If you have a particular interest or know of unmet needs, please let us know. Praise God for the opportunities that we have to minister in His name!

Bill Bailey, Director
Associational Missions
Development Council

Brotherhood Report

It has been another exciting year for Baptist Men in our Association as well as throughout the country. Locally Baptist men have worked on building a church in Elizabeth City under the guidance of our Region I Homebound Director, Reverend Terry Fowler. We have also put in numerous hours down at Camp Cale helping to make it a camp that we can all be proud of - one in which young people can come and learn more about our Lord and what it means to serve Him.

Baptist Men volunteers throughout the country have been instrumental in helping people during natural disasters, such as the floods along the Mississippi River and in Georgia, put their lives back in order. If you've never been on one of these trips you should. Believe me you'll receive more of a blessing than you give.

We also had another successful basketball program for our R.A.'s last winter. The new rules and regulations that were adopted have helped to make that a better program.

Lastly, let me mention, as I always do, if your church doesn't have a Baptist Men's Group but have interest in starting one I'll be glad to talk with you about beginning one.

Camp Cale Management Committee Report

"Praise the Lord" was the motto for 1993. We had 32 of 63 churches in the Chowan Baptist Association and many individuals, Bible schools, WMU and Brotherhoods who have responded in 1994 with their gifts of money (over $12,000), time (over 500 ours) and prayers. Because of your generosity, we have had another succesful year.

The committee met January 24, 1994 to make plans for a new priority list of items that needed to be done at the camp. The motto was "More for the Lord in 1994."

Work completed during the month of March included the Brotherhood of Providence tearing off the old roof on the canoe shed and putting on new sheathing and shingles. A new hearing and air-conditioning system was installed in the kitchen and dining hall for $5,200.00. Electrical work and maintenance was completed for $800.00.

In the month of April a leaf blower was purchased for $525.00 with the money collected at the WMU Annual Associational meeting held at Shiloh Baptist Church.

During the month of May a five man paddle boat was purchased for $510.00. A ditch was dug around the edge of the woods that borders the ballfield to help provide better drainage and the road ditch, and parking area were excavated, graded, and seeded with grass at a cost of $1,300.00. A set of wooden steps was donated and installed at the end of the pier. Also vinyl flooring was installed in both adult cabins for $1,458.00 and an area of 70x100 foot was excavat-

ed and filled with rock for the new basketball and tennis court for a cost of $5,100.00.

In July a 12,000 BTU air-conditioner was installed in the second adult cabin, while shoe molding was installed in the first adult cabin. Both adult cabins now have heat and air-conditioning. New smoke detectors were installed in all of the buildings also.

The month of August brought the annual inspection by the Perquimans Health Department after which, we were given a Grade A rating of 99.5%. Many thanks go to Lynette Diggs, our summer camping director, her staff and our caretakers Buddy and Kim Cartwright for helping to make this possible. A new motor was installed in the lawn mower for $923.00.

Remember: Camp Cale belongs and is available to each of you, the members of the Chowan Baptist Association. It will only be as successful as the support you give to it.

Harvey Roberts, Chairman
Camp Cale Management Committee

Constitution Committee Report

Our Constitution Committee has worked diligently to assist the Association in the process of incorporating. Part of this process involved an extensive revision of the Association's Constitution. The committee is pleased to present at this year's annual meeting the Articles of Incorporation and revised Bylaws for your consideration.

Our thanks go to each committee member, to Glenn Lane and Debbie Manning, to Dr. Lamar Eiland, and to Dr. Lynn Buzzard of Campbell University's School of Law.

Vic Ramsey, Chairman
Constitution Committee

Discipleship Training Report

We appreciate those churches, pastors, leaders, teachers and staff who are supporting the Discipleship Training ministry throughout our Association. God gives us a clear direction to go beyond the baby Christian stage of learning (Heb. 5:11-6:3). Paul's teaching to the Corinthians and his charges to Timothy further affirm our need to grow real Christians.

CBA Associational DT Five Year Trend Lines:

A. Church Year:	B. Ch. Reporting Training	C. Enrollment	D. Avg. Attend.	E. % of Enrolled Attending
1989-1990	22	1507	655	43.5%
1990-1991	32	2338	773	33.1%
1991-1992	32	2613	700	26.8%
1992-1993	26	1994	878	44.0%
1993-1994	35	1975	816	41.3%

DT Growth is real, but it is not consistent. **C. Enrollment** is the beginning. Course selections will impact enrollment (is this course what our people want/need?). **D. Average Attendance** is the critical measurement. Attendance reflects inner motivation and the quality of our teaching, and the warmth of our fellowship. We are doing well in attendance (See D & E.). In 1992, the average attendance SBC Discipleship Training Program was 37.4% and 36.7% in North Carolina Programs.

	F. Persons Baptized	G. New Church Member Training	H. % of Baptized Trained
1989-1990	291	78	26.8%
1990-1991	304	194	63.8%
1991-1992	268	109	40.7%
1992-1993	261	159	60.9%
1993-1994	220	111	50.5%

New Church Member Training (NCMT) remains a special need. The Associational training picture is sporadic (see G. & H.). Some churches are showing a steady annual NCMT and doing a good job. We cannot tell whether F. (Persons Baptized) or other members are the ones being trained. There are good reasons to train both.

We thank the Warwick Baptist Church for hosting our 1993-1994 Bible Drills. Virginia White and Jennifer Winslow are our two state level Bible Drill winners this year. We are very hopeful that other churches will join this ministry in 1994 - 1995. We warmly welcome Reverend David Benton as our new DT Leader.

Sam Jolly, Director
Discipleship Training

UNFINISHED BUSINESS:

Re: Committee of Mediation

Dr. Eiland received a letter from First Baptist Church of Kitty Hawk, dated January 17, 1994. The letter stated that the offer of a Committee of Mediation is unnecessary as the duly elected leadership of the Church has the situation already in hand and is well on the way to a resolution of the conflict. The letter was signed by the Pastor and Deacons.

Re: The Deed First Baptist Church of Kitty Hawk requested.

The Deed has been prepared and the Trustees have signed. The Association is holding the Deed until the court rules who is the First Baptist Church.

Joe Scalf made an amendment to the previous motion to hold the Deed until a legal decision is made by the court. After the decision is made it will be brought back to the Association for approval. Bill Bailey seconded. After some discussion the amendment carried.

Re: Incorporation.

Minutes of the Called Meeting of the Executive Committee

September 20, 1994

Terry Jones, moderator, opened with prayer. The rules of speaking to the issue before the body were explained by the moderator stating that both A & B factions were present and the pastor and two elected lay people of both are seated to vote.

The clerk called the roll of churches with 39 represented.

Bob Young, Special Committee Chairman, reviewed the factual material that the committee found. He explained the content of the covenant and called for questions about the Covenant. Dr. Lynn Buzzard spoke to the legal aspects.

Brother Young read the Procedures for Responding to Proposed Covenant entertaining questions about the procedure.

Bob Young moved the adoption of the following Resolution:

> The Chowan Baptist Association hereby expresses its profound dismay at the conduct of parties involved in the recent altercation at First Baptist Church at Kitty Hawk. We find this conduct reprehensible by any standard, and especially embarrassing and detrimental to those who seek to proclaim and live out the Gospel of Jesus Christ. Such conduct evidences a lack of spiritual maturity, personal discipline and Christian conduct.
>
> We call on all the parties involved in this incident, and other less violent and publicized but equally disturbing conduct toward one another, to repent and seek forgiveness from God and one another. We call upon the churches of which these persons are members or leaders, to exercise appropriate teaching and discipline.
>
> Finally, we see the recent conduct displayed at Kitty Hawk as an almost inevitable consequence of a bitterness of spirit, arrogance of style, and self-centered pride which have too often marked the conflicts in the church. Lawsuits and fist fights, angry words and judgmental spirits are all aspects of the same old thing - they are manifestations of the flesh and not the Spirit, of the old creation and not the new birth. For all such conduct and attitudes, the Gospel has a healing word - repentance, forgiveness, newness of life and restoration. We urge our brethren to let these words judge their conduct and shape their lives.

Rick Lawrenson seconded and the motion carried.

Bob Young moved the adoption of the following Resolution:

That, consistent with the recommendation of the Special Committee, and in furtherance of its commitments to the parties in the Covenant and accompanying documents, and in furtherance of our hope that these matters might be promptly resolved and legal proceedings concluded, we hereby

1) authorize and instruct the trustees of the Chowan Baptist Association to convey the Association's property at Kitty Hawk in a manner consistent with the commitment of the Special Committee, and that this conveyance be at a time, and in a manner, as the Committee shall in its discretion deem appropriate, subject, however, that the deed shall be subject to all the conditions and reversions set forth in the covenant, and

2) authorize the Special Committee to take such legal steps as they deem appropriate to represent the interest and commitments of the association in resolving the dispute consistent with Baptist principles, and in assuring the implementation of the decision in paragraph 1 above.

Further, that this conveyance shall in no way be construed as a moral or spiritual judgment regarding the dispute at Kitty Hawk, but rather the result of a process reflecting the Special Committee's commitment to Baptist principles of congregational autonomy and governance, and its belief that as a matter of Baptist polity, civil law, and practical realities, any resolution must essentially be grounded in the choices of the members. We affirm the friends of the churches of this Association on both sides of the dispute, and acknowledge the deep commitments to a ministry at Kitty Hawk by all its members, and the pain that this split has created not only in the church but in the Association. We now urge all the members and churches, whatever their perspectives on these matters, to give their spiritual energies and priorities to the urgent work of the Gospel - the good news of reconciliation through Christ, and to let that word minister in our own divisions.

Bill Bailey seconded and Dr. Buzzard spoke to the resolution. Rick Lawrenson made an amendment to the resolution RE: #1 Delete part of the last sentence (that the deed shall be subject to all the conditions and reversions set forth in the covenant.) let it read (that the church shall bare all cost subject to transfer of property). There was a second. After debate the question was called for and seconded and carried. The amendment did not carry, the vote showed 13 for, the majority against.

After debating the motion the question was called for, seconded and carried. The motion carried with 67 for and 7 against.

Ben Martin made an amendment to the covenant RE: Item E - Adding the Association will not support any work or group that continues legal actions in this matter. Sam Jolly seconded. After debating, the amendment did not carry.

Feeling that the issue for the called meeting had been satisfied, the moderator declared the meeting adjourned.

General Board of the Baptist State Convention

The N.C. Baptist State Convention is alive and well, thanks to cooperating Baptist Churches such as yours. To refresh your memory, a General Board member such as I am (a layman) and Dr. Doug Murray, Elizabeth City, (a pastor) are part of the 109 member General Board that meets at least three times a year to act on business that takes place while the state convention is not in session. There is also a 20 member executive committee that meets about 10 times a year to act when the general board and the state convention is not in session. Every one of the 79 associations across the state has at least one member on the general board and associations with more than 20,000 members has an additional member. Members are elected for 4 year terms and then rotate off. Thus, there is always a good cross-section representation of NC Baptist from across the state.

The 1994 State Baptist Convention will be held on Friday and Saturday, November 11-12 in Winston-Salem. In 1995 the state convention will go back to its former format of meeting on Monday, Tuesday and Wednesday.

AT OUR LAST GENERAL BOARD MEETING:

A long range planning committee is at work mapping plans for the years 1996-2000.

Mission partnerships with the Ukraine and the state of New York are going well and doing great work in winning people to Christ.

Curtis L. Barbery was honored for having been a strong leader as chairman of the board at Fruitland Bible Institute. He is now retiring. Randy Kilby was introduced as the new president of the Institute.

Reports were given on the "listening teams" that are going out from the state convention office to meet with associations at home to find out what their needs are and how the state office can help with their programs.

Campbell University was congratulated for having 100% of their recent graduating Law School class pass the NC state bar exam.

A state budget of $29.4 million dollars was passed to present to the state convention in Winston-Salem.

Churches and individuals were urged to subscribe to the "Biblical Recorder" in order that they might better keep informed about happenings in Baptist life across the associations, the state and the SBC.

Pastoral Ministry Committee Report

The Pastoral Ministry Committee seeks to equip pastors and churches for growth toward healthy, productive relationships. The Pastoral Ministry Committee worked in conjunction with the Family Ministry Director to plan and sponsor a Get Away Weekend for pastors and their wives. This February weekend of fellowship, worship, and teaching was supported by a num-

ber of churches who paid the expenses for their pastor while also giving them an extra Sunday away from their pulpits.

Bob Young, Chairman
Pastoral Ministry Committee

Personnel Committee Report

The Personnel Committee had the important task of employing a secretary-clerk for the Association this year. This was quite a task after enjoying the very competent and faithful services of Margie Watts for twelve years, and of Glenn Lane for the past thirty-one years.

We prayerfully set about our task. The committee worked together very well in reviewing some sixty resumes. After careful consideration we agreed to recommend Deborah Manning to the Executive Committee. They unanimously approved her in the July meeting.

We join the Association in our deep appreciation to Glenn Lane for her many years of faithful service, and we enthusiastically look forward to working with Deborah Manning.

The committee also served in its function of reviewing the salaries and benefits of all staff members and making recommendations to the Budget Committee.

Terry Jones, Chairman
Personnel Committee

Resolutions Committee Report

WHEREAS, 1993-94 did present a great challenge to our Association, we still have sixty active churches and three missions;
WHEREAS, we continue to see changes locally and most certainly in the Southern Baptist Convention;
AND WHEREAS, the mission field is coming to our country and communities, the theme, "Mission and Ministry: Hand in Hand" is the most appropriate for our 189th Annual Session;
BE IT THEREFORE RESOLVED, that we express our appreciation to the Annual Meeting Committee for this theme and for their preparation of the excellent program.
BE IT FURTHER RESOLVED, that a special thanks be given to Vic Ramsey and his committee for the work done toward the incorporating of the Chowan Association and to this assembled body for your understanding and patience.
BE IT ALSO RESOLVED, that we express our appreciation to Terry Jones, Moderator; Faye Ober, Vice Moderator (first woman to serve); Lamar Eiland, DOM; Billy Presley and Bob Young, our preachers and the entire Associational leadership for their untiring efforts to keep our programs productive all year.
BE IT RESOLVED, that because our spiritual and physical needs have been met, we thank God and the memberships of the Berea and Shiloh churches for supplying all our needs.
FINALLY, BE IT RESOLVED, that the messengers of this 189th meeting be commended for their attendance and their Christian spirit and that we commit ourselves to go hand-in-hand on mission for God and His ministry . . .
REMEMBERING, that there are 70,276 drops in a gallon. There are over 16,000 Baptists in this association, so we are not a drop in the bucket - we are a little more than four drops and our association needs all of us.

Respectfully submitted,
Bobby Hewitt, Ida Parker,
Corinne Thorud, Chairman

Summer Camp Program Report

"Praise the Lord," we made it through another summer of camp. Sometimes it gets a little scary in the woods with snakes, thunderstorms and transformers blowing, right Terry Fowler? I want to thank the staff for doing an outstanding job this summer. Also I want to thank the children and youth for coming to camp, without you there would not be a summer program. This year several professions of faith and rededications were made.

Pastor, youth leaders, I urge you to send your children to camp. It is truly a blessing to many people. We need your support and prayers. Thank you for allowing me to be your summer program director.

I have been blessed many times in the past year.

Lynette Diggs
Summer Program Director

Sunday School Report

Having been without a Sunday School Director in our association for a few years, it has been somewhat difficult for me to know where to begin. I will strive to do my best in seeing that person of all ages are reached with the gospel of Christ as His word is taught in our churches.

This past year has proven to be a busy time of training and attending conferences so that I might be able to assist our churches in Sunday School work. I have been fortunate to have been able to gather together a fine assist team. These members are from various churches within our association, and their hard work and commitment has surely been evident. This year's Sunday School team is made up of the following: Cheryl Phillips and Charlene Tynch-preschool; Frances Tynch-children; Pat Dawson-youth; David Benton-adults; Jeanette Smith-senior adults; and I have worked with directors and general officers.

We have an associational-wide Sunday School Training Conference planned for Saturday, October 22, 1994 from 1:00-4:00 at Berea. This conference will be similar to the Sunday School University that had been held in previous years. Please plan to attend this conference and bring as many teachers and officers from your church as possible. Refreshments will be served.

Vacation Bible School is a vital part of the Sunday School Program. At this year's VBS clinic, we had over 80 in attendance! We met at the Hertford Baptist Church Thursday, April 14, 1994. This year's theme was, "Trail of Treasures" and the improved teaching materials and emphases seemed to be improvements of previous years. The 1994 VBS Team was made up of the following: Charlene Tynch and Diana Hamby-preschool; Frances Tynch-children; Royce Williams-youth; David Benton-adults; Keith Vaughan-pastors; and I worked with the Directors.

Please feel free to contact me with questions, suggestions and/or comments that will improve our Associatonal Sunday School and VBS work. If you, or someone you know, is interested in serving on one of our teams, please let me know. Thank you for your partnership in the task!

Dennis J. Shaw, Director
Sunday School Committee

Woman's Missionary Union Report

The WMU Emphasis for 1993-94 has been "Serve In Christ Name," using a watchword from Colossians 3:17. It reads, "And whatever you do in word or deed, do all in the name of the Lord Jesus, giving thanks to God the Father through Him." As we made plans and carried out the work in Christ's name, we have tried to bring glory to God.

In July the WMU Council attended the State Workshop at Caraway Conference Center. This prepared them to lead our local workshop in September. Our attendance at this meeting was 143. The offering taken was given to buy Christmas gifts for the women in the North Carolina

Correctional Center in Raleigh.

Our Prayer Retreat at Camp Cale in September was well attended. Kathy Hickok, Missionary to Brazil inspired all who attended. Afterwards, we shared our covered dishes in a time of fellowship.

The VIP Party at Camp Cale in October was the largest we have had. We had around 160 people attending, including campers and workers. Jill Lang and Terri Fowler did an outstanding job in coordinating this event. Many of our church groups provided food and financial support. Several Acteen groups served as buddies to the campers.

One of the highlights of the year was our Associational Annual Meeting at Shiloh in April. Mildred McWorter, retired Home Missionary was our guest speaker. She gave us thrilling reports of her work with the Hispanic people in the inner city of Houston. The offering of the day was given to Camp Cale. Fifteen of our churches received recognition on the Achievement Guide. The Associational WMU, as well, received distinguished recognition.

Our Mission Action/Personal Witnessing Director did an excellent job. In February donations were collected to buy carpeting and other needed items for Albemarle Hopeline. In May and June over 500 Health Kits were collected for the Migrant Workers. Donations were given to Albemarle Crisis Pregnancy Center in July and August.

The Youth groups have been active throughout the year. Mission Friends had a Leader Training Workshop and a very successful Day Camp. G.A.'s had Camp Cale filled nearly to capacity at their Mother/Daughter Overnight. They also had Spring and Fall events. Acteens helped with the VIP Party, did clowning ministries and other activities. Some of our girls attended the Acteen Celebration at Ridgecrest and the National Acteen Conference at Birmingham.

I am thankful for the hard work and dedication of the WMU Council and the outstanding cooperation of the Church WMU Groups. I have been blessed this year as we have served together in Christ's Name.

Vivian Jordan, Director
Woman's Missionary Union

Sawyer's Creek Baptist Church

Sawyer's Creek Baptist Church was founded on September 11, 1790, when fifty-two charter members from nearby Shiloh Baptist Church, the sponsoring organization, met to write a constitution and a covenant by which to govern their new congregational life. Land for the first sanctuary was provided by Caleb Grandy. The initial lease agreement, made between Grandy, Thomas Etheridge (the first pastor), Issac Munden, and John Williams, was made on June 20, 1788, and registered on August 22, 1789, for a term of ninety-nine years. It stipulated that the church was to pay Grandy and his heirs one grain of Indian corn per year. The earliest extant written records of the church date from 1815, and include admonitions against whittling on the pews and spitting on the floor. From these beginnings over 200 years ago, Sawyer's Creek Baptist Church has grown into a faith community of over 300 members, actively supportive of both home and foreign missions, and offering a variety of worship, religious education, missions and ministry, music, fellowship and recreation opportunities for persons of all ages.

Hertford Baptist Church

On Thursday, April 6, 1854 a group of five men and twelve women met at the "Baptist House of Worship" in Hertford as a result of a petition from the mother church, Bethel, to make arrangements for the constitution of a new church within the town. The church building had been erected in Hertford prior to that date at a cost of seventeen thousand dollars.

The church was formally dedicated on Friday, April 7, 1854. A month later Hertford Baptist was admitted to the Chowan Baptist Association. As part of the missionary program the Burgess Baptist Church was sponsored in 1945.

The church facilities have been renovated several times, first in 1901, again in 1924 and more recently in 1955 when the educational building was constructed. The present church parsonage was built in 1916 to replace one built in 1854. The parsonage was renovated in the 1970's and improvements have recently been made to the church parking lot and to classrooms on the third floor of the Sunday School wing.

Thirty-six pastors have served the church since its founding and church membership has grown from seventeen in 1854 to approximately 500 today. The history of Hertford Baptist Church is one of growth and vision. We repeat from our covenant, "We agree to strive together in brotherly love and fellowship, and to go forward to a glorious future under God's leadership."

Annual Meeting Committee Report

The Annual Meeting Committee elected by the Association, began meeting shortly after the 1994 Annual Meeting and has continued to meet as required to plan for the 1995 gatherings. Much prayer and thought has gone into the selection of the theme and speakers and to the allotment of time for reports and business. It is the feeling of the committee that since some churches do not have adequate facilities for hosting the Annual Meeting, we might ask one or more churches to join the host church in providing for the meeting.

We have tried to make this a smooth-flowing meeting, a time of fun and fellowship, a time to do business and a time to sing, a time to hear and to learn, to be informed and to be inspired. If you have ideas or suggestions for the program for next year please feel free to contact a member of the committee and offer them.

We express our sincere appreciation to the Sawyer's Creek Baptist Church and the Hertford Baptist Church for hosting this year's Annual Meeting.

The Committee makes the recommendations for future host churches and preachers:

Associational Council Report

The Associational Council met the first Thursday of each month during the year. This is a very informal meeting when the Program Directors and Committee Chairpersons get together and share their ideas, plans, goals, dreams and prayer concerns with each other.

I would like to encourage all members of the Council to make every effort to attend each meeting. We need your insights and input and feel that we can be beneficial to each other. An added incentive is that the fun and fellowship together is great.

Remember: A good Council working together makes a better and more effective Association. May God bless us as we labor together with Him during the coming year.

Faye Ober, Chairperson
Associational Council

Associational Missions Development Report

Last year I reported to you that we had found many mission development opportunities in our association and had set three priorities to begin working on right away.

One was to begin an on-going work with the Hispanics (migrant workers and those who have settled here) in our association. With the help of our State Convention missions department, we had a Hispanic minister do a survey in two areas of our association and to offer us some suggestions in how to get started. A key need was to have a trained Hispanic worker with us, at least, through the summer months. We were not able to do that in 1995 but are very hopeful we will in 1996. We already have designated funds on hand to do this and more.

Another goal was to find someone to serve as a Church and Community Ministries Director throughout our association. Because of the shortage in budget giving this has been delayed but not forgotten. If you or someone you know might be interested in serving in this capacity, please call our DOM.

The other goal was to conduct an Associational Wide World Missions Conference. Praise God; this is becoming a reality. It will be conducted in February 1996 with more churches taking part than we had hoped for.

I am also happy to report that Cindy and Greg Wise are serving as volunteer Resort/Leisure Ministries Directors for the entire association with emphases on the Outer Banks during the summer.

Praise God for the progress! We continue to study our association for future priorities in mission development. If you have suggestions, please call the association office or me.

Thank you for the privilege of serving Him in the Chowan Baptist Association. I also want to say a special thank you to those who are serving with me as your Missions Development Council: Don English, Varina Hollowell, Tom Hupp, Ben Martin, Keith Vaughan, and Lamar Eiland.

Report of the Bylaw Committee

to the

CHOWAN BAPTIST ASSOCIATION
October 16-17, 1995

1. The Bylaw Committee was asked to clarify the process whereby an established church sought membership in the Association. Specifically, it was an expressed concern that, under our current bylaws, any church, no matter how well established, would have to become a mission for two years before joining the Association.

The committee agreed that this requirement was too burdensome, and that our process for receiving new churches was too rigid. We therefore propose the following amendments.

Delete present Bylaw I - Affiliated Churches, Section 3-6.

Insert new Bylaw I - Affiliated Churches, Section 3-6, as follows...

Section 3. Any properly constituted Baptist church may seek affiliation with the Association by notifying the Missions Development Director of its desire. The Missions Development Director and the Director of Missions will meet with the church to discuss the obligations and privileges of affiliation. Following this meeting, the Missions Development Director and the Director of Missions may recommend to the Associational Council that the church be considered for affiliation. Upon hearing their report, the Associational Council may vote to recommend the church for affiliation. At the next annual meeting, the Association shall act on the

recommendation of the Associational Council, and, by a two-thirds vote, the church may be admitted under the watchcare of the Association for a period of one year.

Section 4. While under watchcare, the Missions Development Director, the Director of Missions, and the Associational Council shall assist the church in spiritual growth and church development, and educate the church in Southern Baptist doctrine and polity. The church shall be encouraged to participate in all Associational events and ministries. The church may elect members to the Executive Committee, and messengers to the annual meeting, but such members and, messengers shall be non-voting while the church is under watchcare.

Section 5. At the next annual meeting, with the watchcare requirement satisfied, the church may be received into the full fellowship of the Association by a two-thirds vote. The clerk shall enter the church upon the roll of affiliated churches, and the church's messengers and Executive Committee members may assume voting privileges.

Section 6. In unusual circumstances, the Associational Council may recommend that the watchcare requirement be waived, and the church received directly into the full fellowship of the Association. The Association may act on this recommendation by a three-fourths vote.

Rewrite the final sentence of the job description of the Missions Development Director as follows...

Bylaw VII - Program Directors. Section 7.

E. (last sentence) **... and assist missions and churches in the process of affiliation as described in Bylaw I.**

* * * * * * * * * * *

2. At the July conference, the Association hired a part-time staff member to serve and keep the Association's financial records. After consideration, the Bylaw Committee recommends that we continue to call this position "Treasurer," as opposed to "Financial Assistant." Camp Cale Management Committee Report

What is Christian missions and ministry working hand in hand? One has to look no further than Camp Cale on the shores of the Perquimans River to witness a dynamic example of this servant attitude in our Association.

During the past year, Chowan Baptist Association exceeded goals which were established in the fall of 1994. 1995 was a year of celebration in the Association, as the talents, labors, gifts, resources and prayers of all member churches brought mission and ministry into action at Camp Cale.

The year in review:

* Christian flag donated for riverfront flagstaff
* 3,000 brochures printed and distributed promoting the ministry of Camp Cale
* 3,000 Special Offering envelopes for Camp Cale Improvement Fund purchased and circulated
* Kitchen/Dining Hall received a new roof covering
* Two very productive work/clean-up days
* Three youth cabins (Seaweed, Swampman, Snakeman) received new roof coverings
* Remaining debt for paving of basketball/tennis courts paid off
* 4 basketball goals fabricated and installed.
* Tennis court net installed

* Boundary lines on basketball/tennis courts painted
* 45 stack chairs purchased for Dining Hall
* Gym/swing set purchased for children
* Restocked camp with brooms, mops, rakes and cleaning aids
* 40 youth mattresses purchased
* Pressured cleaned exterior of buildings
* Assorted sports/game equipment purchased
* Paving of Camp Cale Road approved by North Carolina Department of Transportation as requested by Perquimans County Board of Commissioners. (Project to be completed by end of 1995)

Goals for 1995-1996:

* Retain $5,000 balance in Improvement Fund as a reserve for emergency maintenance
* Capital Fund Drive for development of staff housing.

Thanks to all who answered the call "to go."

To God be the glory,
Don Cherry, Chairman

Discipleship Training Report

Discipleship Training is taking on a new look in North Carolina. In 1994, the Discipleship Training Department of the Baptist State Convention introduced a new Discipleship Training Strategy. This new strategy changed the role of the Associational Discipleship Training Director. Previously, this individual was largely responsible for programming an organization at the associational level. Now, the "official" title of the director is "Associational Discipleship Supporter," with a new role of aiding individual churches with resources and Discipleship Training development. This strategy has been devised as an effort to revitalized Discipleship Training in our churches, which has been in decline Convention-wide. The decline of training in our churches contributes to the difficulty of securing leadership and affects its quality.

It is suggested by the state convention that the Associational Discipleship Supporter hold strategy meetings to explore what is being done and what needs to be done in Discipleship Training in our local churches. We held such a meeting January 30, 1995, at Ramoth Gilead Church (I am pleased to share that at the Key Leadership conference at Caswell in May, we were one of the few associations to report having such a meeting). One result from that meeting was the need for a better acquaintance with the vast amount of Discipleship training materials available. Thus, we are planning to have a Discipleship Training Curriculum Workshop in January 1996.

The other area of activity in Discipleship Training has been with Children's Bible Drill. Several churches have indicated interest and two participated, doubling last year's involvement. The Associational drill, held April 1 at Ramoth Gilead Church, allowed three individuals from both churches to advance to the state drill. The state drill was held on April 22 at First Baptist Church, Cary, NC. Congratulations to our participants, John Holcomb, of Rocky Hock Church, Jennifer Winslow of Warwick Church, and Virginia White of Warwick Church. All placed first at the state level.

I give my thanks to those individuals who have participated, helped or used the Discipleship Training ministry of our association. Thanks also for allowing me to grow with you. I look forward to our laboring together for the Kingdom of God in the Chowan Baptist Association.

David Benton, Director

1. Camp Cale: Don Cherry, chairman. Mailouts will soon be going to church leaders.
2. Finance Committee: Bob Crisp, chairman. Discussed legal fees going beyond the $500.00 approved in the July 12, 1994 meeting. Incorporation estimated cost, $250.00, and expenses for Dr. Buzzard, $426.10 plus $60.00 in fees and David Dixon, $450.50 for seven conference meetings up to current time. Bob Crisp then made a motion from the finance committee for the association to allow up to $2,500.00 in legal fees to cover legal expenditures.

The motion was discussed and a second substitute motion was made to allow Bob Young, chairman of Kitty Hawk Special Committee to give his report before the vote was taken on the motion by the finance committee and seconded. The motion so carried.

3. Kitty Hawk Special Committee, Bob Young, chairman. Update on their meetings and action the committee had taken since last executive meeting. Informed that Attorney David Dixon was to file a purposed motion to intervene today. The earliest a hearing can be scheduled is January 31, 1995. Bill Bailey made a motion to allow the Special Committee to satisfy action taken at the September 20, 1994 called Executive Committee Meeting which authorized the Special Committee to take such action as they would deem appropriate to convey the property to First Baptist Church, Kitty Hawk. Royce Williams, seconded. After much discussion, Jerry Boyd made an amendment to the previous motion to delay this action and see what the outcome is of the January 31 hearing. Amendment seconded and after discussion and clarification Jerry Boyd amended the amendment to delete the date of January 31 and this amendment was seconded. The Question was called for by the moderator and seconded. The amendment to the amendment so carried.

Moderator called the Question for the amendment and seconded. The amendment failed: 23 for and 27 against.

Motion was discussed and Question called and seconded. The motion failed with seven for and the majority against.

A motion and second was made to adjourn. Faye Ober closed in prayer.

Respectfully submitted,
Debbie Manning, Clerk

Minutes of the Executive Committee

April 11, 1995

Faye Ober, acting moderator, shared that she had read *Robert's Rules of Order, Newly Revised* and *The Bible - God's Holy Word,* both more than once. The moderator explained the purpose of the association and for that reason, we scheduled our business session at the end of our meeting. The moderator discussed rules of speaking to an issue during the business meeting and also gave us some thoughts to ponder on "Unforgiveness has no foresight." Reverend Howard Simpson then led us in prayer.

Attendance given by clerk, 38 churches and one mission were represented for a total of 84 messengers and 10 guest. The clerk also read the minutes of the last meeting and the minutes were approved as read.

Margie Watts, Treasurer, presented the financial report and was accepted as printed. Mrs. Watts announced her resignation as treasurer effective at the end of the year.

Director of Missions Report, given by Dr. Lamar Eiland. Shared birthday card and gift from children, good news being heard about "Here's Hope Revivals," Stewardship Conference, VBS Early Bird Clinic, Pastor's Get Away Weekend, Minister's Conferences, Support Group Meetings, RA Basketball and Children Bible Drills. Ten churches are searching for a pastor, and the association is looking to the future with the World Mission Conference, nominating committee, finance committee, ministry profile of churches and the wonderful victory and hope Easter brings to us. The ship is moving but is in need of fuel money!

REPORTS:

1. Discipleship Training, David Benton. Had a conference January 30, 1995 and looked at different methods and materials used in DT. Children's Bible Drills doubled in size this year with two churches and six participants. Three of the participants will go on to Cary for the State Bible Drills.

2. Missions Development Council, Bill Bailey. Three areas of immediate need - Hire a summer Hispanic worker for May - August. Money to come from the state and a memorial gift to be used for migrant ministries. A CCM Director (Church Community Mission Director) position to be filled, this should be a paid position, male or female interested in mission work and visiting churches. The third area is the reality of a World Mission Conference in February 1996. Please pray with the committee about these matters.

3. Pastoral Ministry, Randy Green. Great Pastor Wife Get Away in Williamsburg in February, just wished more couples were involved. Any suggestions, ideas or how we can help you, just let us know. Slate of new officers for next year, Randy Green, President; Don English, Vice President and Greg Brinson, Secretary.

4. Stewardship, Varina Hollowell. Dr. Ken Batts led the informative stewardship conference on "budget planning and promotion" at Blackwell, had 22 attending representing eight churches.

5. Summer Camping Program, Laura Hall. Appreciates the opportunity to serve. Marcia Shaw has agreed to be recreation director and needs help filling positions. The theme this summer will be "The Anchor." Looking forward to a spiritual and fun filled summer, please keep us in your prayers.

6. World Mission Conference, Keith Vaughan. Will be February 18-21, 1996. Need churches to vote to participate and let us know as soon as possible. The WMC will be from Sunday morning to Wednesday night (5 services). Different missionary at each service, each church will have two foreign, two home and one state missionary. The cost of $250.00 will help cover travel and housing expenses. Each church will also collect love offerings each service and at the end of the week the offerings will be put into one pot and then distributed. Call Keith Vaughan or Lamar Eiland with any questions.

7. VBS, Vic Ramsey. Clinic in the east on May 15 at Providence in Shawboro and on May 18 in the west at Warwick in Hobbsville.

8. WMU, Jill Lang. Been busy with health kits, Spanish Bibles and use me books. WMU mission ministries include Albemarle Hopeline, Albemarle Crisis Pregnancy Center and Raleigh Women's Correction Center. Reported on GA's, Acteens, Mission Friends activities and the WMU Annual Meeting coming up on April 18 with guest speakers Michael and Ethel Ledbetter, retired missionaries.

9. Bylaws, Vic Ramsey. Two issues to look at - elect officers in April instead of at the annual meeting and how to welcome a church that would like to join our association and it is already a constituted Baptist church.

10. Camp Cale Management, Don Cherry. Pass brochures on to someone else and help get more people aware of Camp Cale.

11. Nominating, Bob Young. Asked for your response on nominating/information sheets. Motion made to recommend Laura Hall as Summer Camping Director and Roy Watts as member of Camp Cale Management Committee 1995-1996. Motion carried.

12. Finance, Bob Crisp. Plans include computerizing finances and letting checks come to the office and then be deposited. Shared the previous four year picture of our finances in graph form.

13. Special Committee, Kitty Hawk, Bob Young. The following major events have occurred since the January Executive Committee meeting.

Three motions were filed by Chowan Baptist Association on January 10. The first was a motion to intervene based on the Association's holding of the deed to the property in question. The second was a motion to appear which would allow Dr. Buzzard to speak in behalf of the Association. The third was a motion to dissolve the injunction of the court with regard to use of the facilities at Kitty Hawk.

February 24 - At a hearing in Gatesville the judge allowed the motion to intervene and to appear but would not hear the motion to dissolve. The motion to dissolve was not heard either because of a misunderstanding or an agreement between the lawyers (not ours) and the judge. This motion was the main reason for our being present at all. We were prepared to say to the court that this matter is a congregational matter not a court matter, and if there is any doubt about the will of the congregation the proper thing to do is have a congregational meeting.

March 9 - The Special Committee met and in the light of fiscal realities and the missed opportunity at Gatesville, passed a motion to seek an end to all legal action if feasible and to proceed with deeding the property as intended.

March 9 - On the same day a counter claim against Chowan Baptist Association was filed by the attorney for Pastor Crouch and Company. The claim requested of the court an adjudication of the ownership of the property and that Chowan Association be assessed damages of $300,000 which they deemed to be the value of improvements to the property.

April 3 - The Special Committee met and made the following decisions: 1) The $1,000.00 sent by First Baptist Church at Kitty Hawk was now exhausted by our current legal bills with excess bills of around $426. This matter was referred to the Finance Committee. 2) Determined to remain a passive party to the court dispute while the deed is being transferred.

3) Requested Dr. Buzzard to draw up the language for the deed restriction. 4) Requested Pastor Hardee and Company to make the necessary change to their Bylaws by June 15. 5) Request Mr. Dixon to make the briefest possible answer to the counter claim to avoid a default judgement against the Association.

Ric Durham made a motion to request Reverend Crouch and company to withdraw their suit in Christian love and wisdom and if they would we would return to Joe Scalf's original motion made on April 12, 1994 that stated we would hold on to the deed until a legal decision is made by the court. Motion was seconded. Discussion and ruling by parliamentarian from Section 34 page 259 *Robert's Rules of Order,* the motion could not be rescinded because it is in the nature of a contract and the other party had been notified of the vote. The motion was withdrawn.

Motion was made by Richard McGinnis that the Executive Committee vote to direct the Special Committee to instruct the attorneys who are representing the association in the First Baptist Church of Kitty Hawk Church dispute, to proceed with the motion to dissolve the preliminary injunction and for appropriate injunctive relief, which are currently on file in the court. Rick Lawrenson, seconded. Motion discussed and question called. The motion failed with the majority against.

Bob Crisp made a motion to adjourn, seconded and the moderator gave the benediction.

Respectfully submitted,
Debbie Manning, Clerk

Minutes of the Executive Committee

July 11, 1995

The meeting was called to order by the moderator, Faye Ober and she shared thoughts to ponder "Failure is Waiting on the Path of Least Persistence." She welcomed new pastors, Ron Cava, Rocky Hock and Phillip Garrett, Ebenezer. Ron Cava led us in prayer.

Attendance given by clerk, 31 churches and one mission were represented for a total of 63 messengers and two guest. The minutes of the last meeting were read and approved as read.

REPORTS:

1. Discipleship Training, David Benton. Workshop for Children's Bible Drill, Saturday, November 4, 1995.

2. Missions Development Council, Bill Bailey. Update on search for Hispanic worker, CCM Director, and Resort/Leisure Ministries. Made a motion that Cindy and Greg Wise become our Volunteer Resort/Leisure Ministry Directors for the entire association with emphasis on the Outer Banks area during the summer. Job description defines responsibilities and relationship. The motion so carried.

3. Stewardship, Varina Hollowell. What is stewardship? Most of us think of money, especially tithing and church budget, but it also involves how a person uses their physical and spiritual body, their material possessions, and how and where they spend their time. Are we glorifying our Heavenly Father by being good stewards of all that He has blessed us with?

4. Treasurer, Margie Watts. Presented the April, May and June 1995 Financial Report.

5. VBS/WMC, Keith Vaughan, thanked Warwick and Providence for hosting VBS Clinics and asked churches to send in VBS Reports. World Mission Conference Planning Meeting on Monday, July 24, 1995 at 7:30 at the Chowan Baptist Resource Center.

6. WMU, Jill Lang. Update on changes happening in WMU. Mother/Daughter Sleep Over had 75 participate. Still in need of GA Leader, dates to remember August 6, Guidebook lesson; September 9, Prayer Retreat; September 19, leaders workshop at Corinth, and October 14, VIP Party at Camp Cale.

COMMITTEE REPORTS:

1. Camp Cale Management, Don Cherry. Summer Camp is in progress. Lots of maintenance problems fixed and would like to purchase gym set and also pressure clean the cabins.

2. Finance, Bob Crisp. Motion made to accept job description for Financial Assistant. Discussion. Amendment, Bruce Warrington: #4 to read, "Will be under supervision of the Chairman of the Finance Committee and in consultation with the DOM."

Discussion, question called, Tom Hall and the amendment failed. Question, and motion so carried.

Recommends the salary to be $2,400.00 per year. Discussion, question and motion so carried. Motion to hire Judith Johnson Smith for the job as Financial Assistant. Discussion, question and the motion so carried.

A motion to let Bylaw/Constitution Committee bring a report of any revisions needed at our annual meeting. Motion so carried.

As our thanks to Mrs. Margie Watts, a motion for the association to receive a love offering from the churches to be given to her at the Annual Meeting. Discussion. Motion so carried.

3. Nominating, Bob Young. Working on slate of officers, will present at the annual meeting.

4. Special Committee, Bob Young. April 22 - Mr. Dixon informed me of an offer from both parties in the dispute. Lawyers for both sides agreed that if a deed with no restrictions was handed over by the Association, both parties would allow the Association out of the case and the counter claim against Association would be dropped. April 25 - Informed Mr. Dixon that we were in agreement. We would hand over a deed without - restrictions while both sides would allow Association out of the case and the counterclaim would be dropped. Since that time the case has come to Superior Court and Pastor Hardee and Company are found to be the legal representatives of First Baptist Church, Kitty Hawk. Mr. Matthews and Mr. Outten are working on the transfer of deed.

Madame Chairman, I move that the Special Committee be disbanded, discontinued, disenfranchised, dissolved, disconnected, discharged, disassembled, disassociated, disbursed, disestablished, disengaged, dismissed, dis, dis, and dis, and dat. Seconded and the motion carried.

No unfinished business.

NEW BUSINESS:

Bob Crisp made the motion under operating expenses, computer contract (ACS) be cancelled at earliest convenience. Motion seconded and so carried.

DOM, Lamar Eiland. Welcomed new pastors Ron Cava and Phillip Garrett. August 1, will be his fifth year anniversary at Chowan Baptist Association. Playground equipment has been ordered for Camp Cale and Camp Cale may be going Hollywood.

Motion to adjourn and seconded. Dr. Lamar Eiland led us in prayer.

Respectfully submitted,
Debbie Manning, Clerk

Executive Committee Report

This has been a year of tremendous challenge to me. Yet, it has also been a very rewarding one and a great privilege for me to serve you.

Brother Terry Jones did an outstanding job as Moderator. Upon his resignation to accept a pastorate in the South Roanoke Association, the Nominating Committee asked me, as Vice Moderator, to serve as Acting Moderator for the remainder of the year.

After much prayer, and in great trepidation, I accepted. However, with God's help and the prayer and support of many, we got through some very difficult issues in our Association.

The Executive Committee met in January, April and July, as our Bylaws specify. The business conducted during these meetings may be found elsewhere in this Book of Reports.

As your Acting Moderator, I would like to urge each church to encourage its Executive Committee Members and Pastor to attend every meeting. We need their presence to keep you informed of the work of our Association.

The association needs your financial support. Please put us in your budgets if you have not already done so. If you have been giving in the past, we ask you to please prayerfully consider increasing the budget line amount. The Chowan Baptist Association has great potential and much work that needs to be done to help advance the kingdom of God in our area. Please help us to help you!

I would like to take this opportunity to express my personal appreciation for the fine work done by the various committees, our pastors, and lay leaders this past year. I am deeply grateful to every member of the Executive Committee for the support and beautiful spirit of cooperation shown to me as I have endeavored to serve you.

And, a very special thanks to Dr. Lamar Eiland and Deborah Manning for their invaluable help and friendship. Were it not for the love of God and the wise guidance of our leaders, we would not have progressed in our Association as we have.

Our Lord has been very gracious with His blessings to us. Let us resolve to be faithful servants of His in every task we undertake during the coming year. May God's richest blessings be upon you and yours.

Faye Ober, Acting Moderator

Media Center Report

The Media Center has grown enough to fill two rooms. Materials, both audio-visual and printed, are available for preview and circulation for all missions organizations, Sunday School and Discipleship Training. Free materials can be found on occasion usually in the hall of the associational office. As of now, there are fifteen churches, in the association that are on record as having a media center with staff. If your church is interested in starting a media center, please contact me at the associational office.

Pastoral Ministry Report

For the second year in a row, the Pastoral Ministry Program has sponsored a Get-Away Weekend for pastors and their wives. We met this year in Williamsburg, Virginia, for a conference on, "How to Best Cope With Ministerial Stress." Reverend Tim Piland, Senior Pastor of Nansemond River Baptist Church, Suffolk, Virginia, and his Ministry of Music, Neil Johnson, came and led us in a wonderful and refreshing weekend experience. A special thank you goes to all of the churches who supported their pastors in taking care of their expenses.

Personnel Committee Report

The Personnel Committee was handicapped this year by virtue of the fact that our number was greatly depleted. We lost four of the six members. Reverend Terry Jones and Reverend Doug Murray accepted pastorates in other associations, Sharon Brickhouse moved away, and Margie Watts resigned her position as Treasurer. This left only Deborah Lee and myself.

We join the Association in our deep and heartfelt appreciation to Margie for her many years of faithful service to us. We will miss her greatly.

The Committee reviewed the salaries and benefits of all staff members and made appropriate recommendations to the Budget Committee for consideration.

Resolutions Committee Report

Our Theme has been
"He Came...And We Must Go"
And we've talked about missions
And we've talked about dough.

We have been welcomed by
Charles Stratton and today Keith Vaughan
They have fed us so well -
just hope we won't yawn.

And surely we can all aspire
To sing like Sandy Creek and the Hertford Choir.
And aren't you glad that we have let
Rocky Hock Church send their quartet?

Reports we've heard from each committee,
They really get down to the nitty-gritty.
And, listen to the songs we've sung,
All the old favorites so long we have clung.

All about Jesus and the Lord
For surely we are in one accord.
He Lives, He Leads, In Love He came,
And because He did - we are not the same.

As Christian Soldiers - We Join To Sing
of our Father's World and He Is King,
And Ralph Harrell came To Tell Us The Story
Of Jesus love and His glory.

Help us to walk in His Footsteps
Living For Jesus - following His precepts,
For in Jesus there is Victory
And a Channel Of Blessing we want to be.

Now all this sounds like what we've done before,
But, there is one thing we can't ignore.
Look at the women you've seen on display,
And led by our own Favorite Faye.

There's Mary and Debbie, Varina and Jill,
Oh, what positions they do fill.
And, Cathy Jo and Kay and Laura Hall,
Corinne and Carolyn - yep, that's all!

All so willing, along with the men,
To serve our Lord - for we're all kin.
And may we ask the Lord and say -
Send Me, Oh Lord, Send Me - today!

"He Came" is what we heard from Joe (Scalf)
And Randy will tell us - "We Must Go."
But, without the Lord, we'll not go far
For we do need the help of our Lamar.

If you were left out - forgive me please,
'Cause this year we do have the World Ser-ies.
And, in a while we'll begin to roam -
Bill Bailey says - It's almost time to go home."

Stewardship Committee Report

Dr. Ken Batts, Director of Planned Giving, NC Baptist State Convention Stewardship led an Associational Stewardship Conference April 3, 1995 at Blackwell Memorial Baptist Church. The twenty-two attending represented eight churches. We enjoyed a dinner before the meeting, compliments of the state office. Dr. Batts presented an informative program on "budget planning and promotion" offering useful ideas and suggestions for each of us to carry back to our churches.

Stewardship is more than just giving money. Stewardship conveys our special relationship with our Lord and Savior. As Christians, God has granted us a special and wonderful position in his creation. We are his stewards. We are appointed to be both wise managers and faithful servants. We each are responsible and accountable to God for what he has given.

"They shall not appear before the Lord empty-handed. Every man shall give as he is able, according to the blessing of the Lord Your God which he has given you."

Varina Hollowell, Director

Summer Camp Program Report

What a summer! Camp Cale was up and running for three weeks of Bible study, fun and recreation. The camp was a great success for 110 children and youth. The program was interesting and Bible based. Our staff consisted of 15 men and women within our association. The Reverend Dennis Shaw and Reverend David Benton were our program directors. Our counselors were Kim Hudson, Glen Knott, Amy Strong and Marsha Shaw. We had several new counselors in training this year. They were Kelley Bassett, Hunter Fink and Chris Leary. Our life guards were Jason Joyner, Kelley Russell and Brian Chepan. Coming on board for their first year at Camp Cale as cooks were Marie Spencer, Belinda Spencer and Doris Miles. There was some good eating going on! I take the time to mention by names these workers because they did a wonderful job and I thank them for their commitment to leading our young people.

Our missionary studies were conducted by Rev. Jeff Bowden, Mr. Elwood Copeland, Rev. Don English, Mr. Buck Green, Rev. Ben Martin and Rev. Royce Williams. Our campers were truly blessed by their sharing of God's work, home and abroad.

I would like to thank everyone for the new mattresses and roofs. The renovations made our campers more comfortable. The children visiting the camp especially enjoyed the new swing set. Our camp has much potential for God's people to get together for study and recreation. It is through your concern and efforts that we enjoy such a beautiful facility, **thank you all.**

Sunday School Report

Sunday School is the most important organization of the church today. The Bible Reaching/Teaching Ministry is the place where the personal needs of people can be met. We, through our churches and association, must be prepared to meet the challenges of a growing and changing area through the Sunday School.

As we begin this new ministry together, here is the vision of first steps to begin our climbing this challenge. We need a bank of workers to minister and train church workers as our ASSIST TEAMS. The more workers, the lighter the load. And if we have eight adult team members, that would be great. Each person is gifted and need to use their gifts for God's Kingdom. Also I see a need to have Sunday School conferences for Pastors and Sunday School Directors. God uses His leaders to group and move His church in His direction. Providing conference speakers to instruct and promote Sunday School to our leadership in our church will give vision for what we can do in our Sunday Schools.

You may ask, "What about training our lay people?" Our association Sunday School Ministry can provide conferences and worships for all ages as well as just for one area. We can provide a consultation with your Sunday School leaders or a particular age group. Maybe you as Pastor or Director would like to sit down with a team member one-on-one for consultation. Just any way we can help you, we want to do.

Now as we begin, I ask you for two things. First, I ask for your support through the ministry and through prayer. Second, I need you to share your needs in your church with me. I cannot help you unless I know the need and you call on me and our team. So please, Call! Thank you for giving me the opportunity to serve our Lord in this ministry and lets continue to move forward "Toward 2000."

Jeff A. Bowden, Director

Women's Missionary Union Report

"May the Lord make your love for one another and for all people grow more and more" I Thessalonians 3:12a. This has been a fitting and challenging watchword for our theme for the year, "A Time to Grow." God calls us as His faithful servants to always grow in our love and people. We have kept this in the forefront of our minds as we made plans and stepped out to serve in His Name.

July saw the council at beautiful Caraway as we attended the State Workshop where we bonded together as sisters in Christ and also where we were prepared to lead our local training session in September. At our local training session attendance was over 100. Our offering went to buy Christmas gifts for women prisoners in Raleigh.

Reverend Keith Vaughan led a packed room at our Prayer Retreat in September. We were challenged to be more faithful in our prayer life.

October brought our VIP Party. It is always a wonderful time of fun, food and frolic. Thanks to Varina Hollowell's leadership, each VIP had a tee-shirt to take home. Different church groups provided food and financial support. Acteens were very involved in many ways.

Mission Action projects included health kits, Spanish Bibles, Bibles in other languages, the "Forever" needs list for the Metropolitan NY Baptist Association Multi-housing Work, and the "Baby Bucks" program which helped to encourage good prenatal care in the Columbia area of our association.

All of the youth groups have been very active throughout the year. The Acteens, GA's and Mission Friends were kept busy and challenged as various events were held such as Fall and Spring Events for the Acteens, Mother/Daughter Overnight Camp for GA's and a Day Camp and leader workshop for the Mission Friends.

Our Associational Annual Meeting at Blackwell Memorial was well attended as we heard retired missionaries Mike and Ethel Ledbetter tell of their experiences in Central America and Mexico. Our offering was given to Camp Cale. Sixteen of our churches received recognition on the Achievement Guide. Also our Associational WMU received distinguished recognition.

Our council has grown in our love for each other and I am thankful to be a part of this work that God has called us to do. May we all continue to grow more like our Savior and Lord, Jesus Christ.

Jill Lang, Director

Youth Ministry Council Report

The Youth Ministry Council has not been as prominent this past year as it could have been but hopefully we are poised for growth and development in 1995-1996. For the past few years we have been organizing a Youth Weekend Celebration in November to involve all the churches of our association in two to three days of Bible study, music, fun, and fellowship. Each event we have had has been well attended and meaningful. Unfortunately the Celebration of 1994 had to be cancelled due to a hurricane. Planning is going well for the 1995 Celebration and we have been praying for no hurricanes! The council has also been working very hard this year to develop a listing of youth leaders from each church so that promotional information about youth ministry can be sent directly to the people who most need to see it. We will try to update this listing once a year in order to keep it current. In the future we hope to be able to determine the needs of youth and youth leaders in our association more clearly and develop ministries to meet those needs. Thank you very much for the support you have pledged to the youth of our churches. Help us make them not only valuable resources for the future but vital parts of the body of Christ now.
